Whereas a Number of Gentlemen and others, Inhabitants of the County of *Kent*, have represented unto this Assembly, That in Consequence of an Act made and passed at their Session in *June, A. D. 1750.* whereby *East-Greenwich, Warwick, West-Greenwich, and Coventry*, were made a distinct County, provided the Inhabitants of said Towns would by free Contribution, erect and build a Court House in *East-Greenwich*, near the Bigness of the Court House in *Providence*, fit to hold a Court in by the last Day of *October* thence next ensuing; they have with others, erected and built said House agreeable to said Act, which was signified to the General Assembly at their Session in *Providence, Octob. A. D. 1750.* and that said House is unfinished within, which renders it very uncomfortable in the Winter; in the coldest Part of which Season one Court is held at said Court House: And that the Inhabitants of said County, tho' they have chearfully contributed towards the Building said House, find they are not able to compleat it, altho' it is absolutely necessary to be done; and therefore have prayed this Assembly, that a Lottery may be granted them, as the easiest Method to raise Money sufficient for finishing said Court House: And now this Assembly taking the Premises into Consideration, *Do Vote and Resolve, and it is Voted and Resolved*, That there be a Lottery set up for finishing the Court House in the County of *Kent* aforesaid, and for erecting a Fence round the Goal in said *East-Greenwich*.

*Daniel Coggeshall,

And now this Assembly do Vote and Resolve, and it is Voted and Resolved, That this Report be, and it is hereby accepted, and that the same Committee be still continued to give Leases of the Ferries.

Whereas *Anthony Holden*, (Son of *William*) of *Warwick*, in the County of *Kent*, hath represented unto this Assembly, That he was a Mariner on Board His Majesty's Ship *Canterbury*, and on the first Day of *Octob. Anno Dom. 1748.* in an Engagement with a Fleet of *Spanish* Men of War off the *Havana*, his Right Arm was shot from his Body, whereby he is rendered altogether incapable of supporting himself ; and also, that he is obliged to go to *England* to receive the small Allowance granted him there ; and that the Cost which he must be at in performing said Voyage, will be considerable, and the Consequence of his not going Home as afore- will be an Exemption from any Allowance there : And that he has not sufficient Money to defray the Charges of going Home as afore- said ; and therefore prayed this Assembly to relieve him as they in their Wisdom should think proper. And now this Assembly, upon Consideration of the Premises, *Do Vote and Resolve, and it is Voted and Resolved, That Two Hundred Pounds* be allowed and paid to the said *Anthony Holden* out of the General Treasury.

An A C T to prevent the Passing of Counterfeit Bills.

W H E R E A S there are a great Number of Counterfeit Bills continually passing about in this Colony, and oftentimes in the Hands of wicked and designing People, who make it their Business to put them off, knowingly to the great Damage of Trade in general, and to the Trading Part of us in Particular.

B E it Enacted by the General Assembly of this Colony, and by the Authority of the same, It is Enacted, That hereafter all Magistrates, Judges, Justices of the Peace, and Grand Committee-men in this Colony, be empowered to deface, or effectually stop the Passing of any Bills of any Denomination whatever, that shall appear on strict Enquiry or Survey to them, to be Counterfeit, on their being offered, and to examine the Persons passing them, who if they appear guilty, or not able to give a good Account of themselves, that they may commit them.

An A C T for the more regular Disposing of the Fines of delinquent Jurors, for their Non-Appearance at the several Courts in this Colony.

W H E R E A S by the Law of this Colony, the Fines for delinquent Jurors for their Non-Appearance at the several Courts in this Colony, has been heretofore, one Third Part to the Court, one Third Part to the Sheriff, and the other Third Part to him or them that shall serve in the Room of such delinquent Juror or Jurors. And forasmuch as there is now by Law, two Setts of Jurors ordered to attend

tend each Court, so that there is but seldom Talesmen taken up, and when there are any taken up, they seldom serve above one or two Cases, by Reason there are Country Jurors there waiting upon the Court, so that when the Court breaks up, or the Jury dismissed, there are seldom any Talesmen among them, so that it is altogether impossible for the Court or the Sheriff to determine who the last Third Part of said Fines belongs to; by which Reason the Sheriffs have generally kept Two Thirds of said Fines.

Therefore,

BE it Enacted by the General Assembly of this Colony, and by the Authority thereof, It is Enacted, That for the Future, all Fines for Delinquent Jurors for their Non-Appearance at the several Courts in this Colony, as by Law are ordered and directed, shall be disposed of as followeth, to wit : The Sheriff shall be entitled to the same Fees for collecting said Fines, as is customary for collecting of Money upon Executions, and the remaining Part shall be returned by the Sheriff into the General Treasury ; and that all Laws heretofore made for the Disposing of said Fines, be, and they are hereby repealed, made null and void for the Future.

BE it Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That Daniel Coggeshall, Francis Willet, Esqrs and Mr. Caleb Allen be, and they are hereby appointed a Committee, to run and settle the dividing Line between South-Kingstown and Exeter, and make Report of their Doings to the General Assembly, at the Charge of said Towns.

D

Whereas

Whereas Messrs. *Weeden* and *Bennet* exhibited to this Assembly, an Account by them charged against the Government, for Bunting, and making a Pendent and Flag for Fort George, the first in *October*, 1752, and the last on the second Day of this Month : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the said Account be, and it is hereby allowed, and that *One Hundred and Fifteen Pennas Fifteen Shillings*, the Amount thereof, be paid the said *Weeden* and *Bennet* out of the General Treasury.

An ACT for repealing one Clause in an Act, entituled, *An ACT to prevent unlawful Gaming*, made in the Twenty-third Year of his present Majesty's Reign, and for making some other Provision for preventing those Disorders.

WH E R E A S in said Act it is declared, That if any Tavern-keeper, Innholder, or keeper of any Public House, shall keep up in his or her House, any Billiard Table, or Shuffle-board Table, for the Space of one Month after the Publication of said Act, the Town Council
of

of such Town where such Innholder, Tavern-keeper, or keeper of other Public House dwells, shall withdraw his or her Licence, and render him or her incapable of keeping a Public House forever thereafter : And whereas, it is apprehended that imposing a proper Fine against such Offenders for the first Offence, and for the second Offence, rendering such Trespasser incapable of keeping a Public House forever thereafter, would have greater Effect in answering the good Ends and Intentions designed by said Act.

An A C T for the Relief of *Joseph Whipple* of *Newport*, in the County of *Newport*. Esq;

WHEREAS the said *Joseph Whipple* represented unto this Assembly, That a few Year's past, his honoured Father died, possessed of a very large Estate, consisting of Lands and Movables, which hath since fallen into his Hands, but so heavily charged with Debts, that the Amount of them, even to this Day, remains a Secret : That believing himself (until lately) Owner of a very plentiful and large Fortune, he adventured too much into Mercantile Risques, in Hopes of increasing his Interest that Way, but providentially lost many Thousands of Pounds, then believing he hazarded nothing but his own ; and now finding those Losses, together with said Estate's being greatly loaded with Debts, before he came into it, he is rendered altogether incapable of paying the whole, but is entirely willing, with the utmost Sincerity and Truth, to resign up all for the Use of his Creditors, that they may receive all that can rationally be expected, or that Men of common Humanity can require ; and therefore humbly prayed, that under the solemn Obligation of an Oath, he may be permitted, according to the Directions in a Bill perferred to this Assembly, and voted on the 23^d Day of this Instant *August*, to be continued to the next Session of this Assembly, to deliver up all his Estate both Real and Personal, of every Nature and Kind whatever, even under the

the Penalty of suffering in the most ignominious Manner, the Pains of Death, should he in the least Degree knowingly violate said Oath; and that said Estates, be wholly assigned and appropriated in all Respects, as directed in said Bill; that the Judges and Commissioners therein referr'd to, be wholly directed and governed by the same; and that as this Affair is of the utmost Consequence, and requireth a speedy Determination, he further prayed, this Assembly would immediately take the Premises into Consideration. And this Assembly having duly weighed the Matters and Things aforesaid, *Do Vote and Enact, and it is Voted and Enacted*, That the Petition of the said *Joseph Whipple* be, and the same is hereby granted.

An ACT for Naturalizing *Peter Miraill*, now residing in *Newport*, in the County of *Newport*, *Maine*.

Whereas the said Peter Miraill, hath represented unto this Assembly, That he was late one of the Subjects of the French King, but has for some Years resided in Newport, and sailed out thence in the Employ of several Merchants; and that moreover, he hath lately married in Newport, and being inclined to become a Subject of His Britannic Majesty, prayed to be naturalized.

On Consideration whereof,

BE it Enacted by the General Assembly, and by the Authority thereof, It is Enacted, That the said *Peter Miraill* be, and he is hereby naturalized, and shall forever hereafter be deemed, adjudged, and taken, to all Intents and Purposes, as naturalized; and is rendered and made equal in all Respects, to a freeborn Subject of this Colony, provided he take the proper Oaths.

An ACT for Explanation, and in Addition to the Act for Regulating of Fences.

Forasmuch as Disputes and Differences do daily arise between Owners of Lands within this Colony, about keeping their Fences in lawful Repair ; and the Power of the Fence Reviewers not sufficient, by the Law now in Force.

Nichols, Esq;* a State of which we herewith present, and whereby it appears, that there is a Ballance in the Hands of the said *Benj. Nichols, Esq;* of Three Hundred and Seventy-six Thousand Eight Hundred and Twenty Pounds Eight Shillings and Seven Pence Old-Tenor, in Favour of the Colony, exclusive of the last Bank, which is not charged in this Account, as the said *Nichols* informs us, that there are a considerable Number of Mortgages and Bonds belonging to it, which have not been delivered into his Office. We also Report, That we have burnt the Money paid us by said *Nichols*, except Seven Hundred and Ninety-two Pounds One Shilling, and a Penny, in the Hands of *John Tillinghast*, Five Hundred and Eight Pounds Eighteen Shillings and Four Pence, in the Hands of *Thomas Cranston*, Two Hundred and Sixty-seven Pounds Eighteen Shillings and Eight Pence, in the Hands of *James Sheffield*, and Eighty Pounds Four Shillings and Eight Pence, in the Hands of *Peter Bours*, all calculated in Old-Tenor, which being Bills of the last Emission, are deposited with them to exchange for old Bills of Credit to burn; and for which, they have lodged their Receipts with the said *Benjamin Nichols, Esq;*

Newport, October 29. 1753.

And this Assembly having taken the said Report into Consideration, and duly examined it. *Do Vote and Resolve, and it is Voted and Resolved,* That the same be, and it is hereby accepted.

Whereas

Whereas *Moses Lopez* of *Newport*, in the County of *Newport*, Merchant, represented unto this Assembly, That the Manufacturing Pot-Ash in this Colony, will be of great Advantage to the Government, provided it can be done in a right Manner: That it will prove a good Remittance to *Great-Britain*, in Return for such Goods as we have Occasion of from thence, and will be the Means of lowering the Price of Silver, Gold, and *European Goods*: And by sending to our Mother Country, a Commodity which is very much wanted there, will be serving them in a high Degree, and thereby procure their Favour, with many other Advantages: That he the said *Moses*, by the Assistance of a particular Friend that is not in this Country, hath made himself Master of the true Art and Mystery of making Pot-Ash; which is known to very few in the Kingdom: That he can carry it on to the great Advantage of the Colony, and at the same Time make a reasonable Profit to himself. And upon the whole, prayed this Assembly to grant him a Patent for the Manufacturing Pot-Ash in this Colony for the Term of Ten Years, and prohibit all other Persons whatsoever, from setting up and carrying on that Trade and Business in this Colony, excepting such as shall work under him, and by his Direction: And also to prohibit the carrying any Ashes out of this Colony, into the neighbouring Governments, on any Pretence whatsoever, upon such Penalties as this Assembly shall think proper; one Half to the Informer, and the other Half to the Treasury of the Town where the Offence shall be committed. And as the said *Moses* will have Occasion of all the Ashes made in the Colony, more than the Inhabitants will be obliged to keep for their own Use, he shall be willing to pay them a reasonable Price therefor. And this Assembly having taken the Premises into Consideration, *Do Vote, Resolve, and Enact, and it is Voted, Resolved, and Enacted*, That the Prayer of the said *Moses* be, and the same is hereby granted, provided he shall carry on the Business aforesaid; and that *Five Pounds* be the Penalty for every Bushel of Ashes that shall be transported into the Neighbouring Governments, or any other Part of the World.

Whereas *John Cogswell* and *Owen Sullivan*, alias *John Pierison*, are suspected of being concerned in counterfeiting the Bills of publick Credit of the last Emission, made by this Colony, and each of them hath made his Escape out of the Government, by breaking Goal: *This Assembly therefore do Vote and Resolve, and it is hereby Voted and Resolved*, That the Sum of *Four Hundred Pounds* be allowed and paid out of the General Treasury, to any Person or Persons that shall apprehend and convey to His Majesty's Goal in *Newport*, the said *John Cogswell*, and the same Sum shall be allowed and paid out of the General Treasury, for apprehending the said *Owen Sullivan*, alias *John Pierison*, and commit them to His Majesty's Goal in *Newport*.

Both

Both Houses resolved into a Grand Committee on the second Day of *November*, when the Hon. *Joseph Whipple*, Esq; resigned the Office of Deputy Governor; and thereupon, the Hon. *Jonathan Nichols*, Esq; was chosen Deputy Governor in his Room, for the remaining Part of the Year, and engaged accordingly.

Nicholas Easton, Esq; was chosen and engaged second Assistant in the Room of the Hon. *Jonathan Nichols*, Esq; advanced as above.

Thomas Frye, Esq; was chosen a Justice of the Inferior Court of Common Pleas, and General Sessions of the Peace, in the County of *Kent*, in the Room of *John Frye*, Esq; lately deceas'd.

Mr. *Thomas Throop*, jun. was chosen a Justice of the Peace for the Town of *Erifol*.

Whereas *John Hart* exhibited to this Assembly, an Account of Seventy-three Pounds; by him charged against the Government, for his Expence in informing against *Samuel Southwork*, and assisting to apprehend *Jacob Mace* and *Benjamin Chase* at *Peghkeepsee*, on Suspicion of their having counterfeited Bills of Credit emitted by this Government; for his Expences, Time, and Horse, in going to *Windham* Court; and for keeping his Horse fifteen Days: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the same be, and it is hereby allowed, and shall be paid out of the General Treasury, that is to say, Sixty Pounds thereof, unto the said *John Hart*, and the remaining Thirteen Pounds unto his Honour the present Deputy Governor, it being so much by him advanced to the said *John Hart*, when he undertook the Business.

Whereas Col. *Joseph Pendleton* represented unto this Assembly, That upon the Settlement of his *Lottery*, he fell Seven Hundred and Thirty-odd Pounds in Debt to the Colony, for Payment whereof, the General Assembly allowed him a Year's Time, upon his giving Bond, with two good Sureties, to the General Treasurer, which accordingly he did, to wit; for the Sum of Seven Hundred and Eighty-three Pounds Twelve Shillings, it being the Debt and Interest, payable the seventh Day of *November*, One Thousand Seven Hundred and Fifty-three: That he is unable to perform the Condition of his Bond at present, by Reason he cannot get in his Money he sold his Tickets for, Seven Hundred and odd Pounds being in the Law at *New-York*, upwards of Five Hundred Pounds under the same Situation in this Government, besides many bad Debts: Whereupon he prayed, That on his paying down the Interest that will become due on the seventh of *November* aforesaid, he may have the Money one Year longer upon Interest. And now this Assembly having taken the Premises into Con-

Consideration, and duly weighed the Matter, *Do Vote and Resolve, and it is Voted and Resolved*, That the Prayer of the said Col. *Joseph Pendleton* be, and it is hereby granted.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *John Tillinghast, Thomas Cranston, Peter Bours, and James Skeffield*, Esqrs. be, and they are hereby constituted a Committee, to audit the Accounts of the General Treasurer, and those of the Treasurer of the Grand Committee's Office, and to make Report so soon as may be

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *Josiah Arnold* of *James-town*, Esq; be, and he is hereby added to the Committee for building the Light-House.

The Gentlemen that were appointed to divide the Company or Trained Band of the Town of *Cumberland*, presented the Assembly with the following Report :

“**W**E the Subscribers, being appointed a Committee by the General Assembly, to divide the Companies or Train'd Bands of the Town of *Cumberland*, and having done the same, do Report as follows ; That the Dividing Line between said Companies, begin at *Pawtucket* River, opposite to the Dwelling House of *Samuel Bartlet*, Esq; from thence running Easterly on a straight Line, so as to leave said *Bartlet's* House to the North of said Line, until it comes to the Road, a little below the Dwelling House of *John Knox*, that leads out of *Mendon* Road so called, to *Attleborough*, thence following the Road leading towards said *Attleborough*, by the Dwelling House of Capt. *Ichabod Peck*, until it comes to the Saw-Mill called *Wallot's* Saw-Mill, from thence Easterly on a straight Line, leaving the Dwelling House of *Moses Wallot* to the South, until it comes to *Attleborough* Line.

Cumberland, Octob. 29. 1753.

Feb Bartlet,
Jeremiah Whipple.

And now this Assembly having taken the Matter into Consideration, *Do Vote and Resolve, and it is Voted and Resolved*, That the Report aforesaid be, and the same is hereby accepted.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That Mr. *Daniel Smith* be, and he is hereby fully empowered to grant forth Warrants for collecting the Rates ordered to be levied in the County of *Providence*, for erecting a Work-House in said County.

Whereas Messrs. *Elisba Reynolds* and *William Potter*, represented unto this Assembly, that they apprehended the Goal-House in said Town, was sufficient, in as much, as they had heard no Complaint from the the Sheriff or his Goal-keeper, yet it seems by Inquiry, the same is not compleated to the Satisfaction of the

N

Committee

Committee of the House ; wherefore, as the Intent of the said *Reynolds* and *Potter*, are to do every Thing they obliged themselves to do and proposed, for the greater Security of said Goal, they would instantly line the Northernmost Goal-Room below, with two-inch Plank, and the other Goal-Rooms be made as strong as they can be made, with the Plank that is already provided, if it would be to the Satisfaction of this Assembly : And as it is no Charge to the Publick, but a private Charge for the publick Use, they hoped this Assembly would regard the great Ease of their Doings in this Instance, is to the Publick, and allow their Proposal, if it be agreeable to the Sense of this Assembly, that the same shall be, when done, a Completion of the Goal, &c. And this Assembly having taken the Matter into Consideration, *Do Vote and Resolve, and it is Voted and Resolved*, That the Prayer of the said Petition be, and the same is hereby granted.

Whereas *Ann* and *James Franklin* exhibited to this Assembly, an Account by them charged against the Government, for printing the Acts and Orders made and past by the General Assembly, at their Session in *August* last, and furnishing Paper for the Work : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the said Account be, and it is hereby allowed, and that Twenty-one Pounds Ten Shillings, the Amount thereof, be paid the said *Anne* and *James Franklin* out of the General Treasury.

It is Voted and Resolved, That the Hon *Jonathan Nichols*, Esq; Deputy Governor, be, and he is hereby appointed and empowered to agree with a suitable Person to take Care of the Light at *Beaver Tail*, until the Light-House be built.

Whereas *Jabez Bowen*, Esq; and Mr. *Elisha Brown*, exhibited to this Assembly, an Account by them charged against the Government, for their Time, and sundry Expences and Disbursements in repairing *Patucket* Bridge ; which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the said Account be, and it is hereby allowed, and that *Six Hundred and Fifty-three Pounds Six Shillings and Two Pence*, the Ballance thereof, be paid the said *Jabez Bowen* and *Elisha Brown*, out of the General Treasury.

Whereas *Francis Willet*, Esq; one of the Committee appointed to run the Line between *South-Kingstown* and *Exeter*, declines serving in that Office ; *It is therefore Voted and Resolved*, That *Thomas Phillips* of *North-Kingstown*, Esq; be, and he is hereby appointed in the Room of Mr. *Willet*, for the Purpose aforesaid ; and that the said Committee, or the major Part of them, perform said business.

An ACT in Addition to an Act, entituled, *An Act directing Proceedings in Actions and Suits, wherein either the Recorder or Sheriff are Parties.*

BE it Enacted by the General Assembly of this Colony, and by the Authority thereof, It is hereby Enacted, That in all Actions or Suits, wherein either of the Shrieves of this Colony for the Time being, shall be a Party, the Writts both Original and Judicial, shall be directed to the Town Sergeant for the Time being, of either of the Towns in the County where the Defendant in such Action or Suit shall be an Inhabitant, to execute the same.

Room for the General Council to sit comfortably there ; and would be so far from being any Inconvenience, that on the other Hand it would be a real Ornament to the House, and afford an agreeable Amusement to the Members in their leisure Hours. Whereupon the Petitioners, in Behalf of themselves, and all others concern'd in the Affair, humbly prayed this Assembly to give them Leave, at their own proper Cost, to erect Shelves on the West and North Sides of the said Council Chamber, for the Purpose aforesaid ; and also to enable the Proprietors of the said Books, to make such Acts and Orders as may be fit and necessary for the proper regulating said Library, and that they may be good and valid for those Ends.

And this Assembly having taken the Matters and Things aforesaid into Consideration, *Do Vote, Resolve, and Enact, and it is Voted, Resolved, and Enacted*, That the Prayer of the Petitioners be, and the same is hereby granted.

Whereas by two Acts of the General Assembly of this Colony, one made and past the third Monday of *March*, One Thousand Seven Hundred and Fifty, the other on the second Monday of *June*, One Thousand Seven Hundred and Fifty-one, no Persons are to contract for, settle Account, allow, receive, take, or pay, at any greater or higher Rate, for Silver, Gold, or Bills of Exchange, than is regulated and settled by the said Acts, upon the Penalty of Fifty Pounds, in Bills of Credit emitted by said Acts; and also, that no Clerk within the Colony, should issue forth any Execution or Process on any Judgment obtained in any Court of Record, until the Party in whose Favour the same was obtained, if inhabiting or residing within this Colony, should make Oath or Engagement, that he had not directly or indirectly, either by himself or others, contracted for, given, taken, paid, accounted, or settled, for Gold, Silver, or Bills of Exchange, in any other Manner or Form than what is regulated by said Acts.

And this Assembly, on Consideration thereof, Do Vote, Resolve, and Enact, and it is Voted, Resolved, and Enacted, That the said two Paragraphs of said Acts afore-mentioned, be, and they are hereby repealed, rendered null and void, and of none Effect, and that no other Person whatsoever, be obliged to take the said Oath or Engagement.

Whereas *Eleanor Hunt*, Daughter of *Ezekiel Hunt* of *North-Kingstown*, represented unto this Assembly, That some Time in *January*, One Thousand Seven Hundred and Fifty-two, she had one Forty Shilling Bill of the last Emission made by this Government, which casually fell into the Fire, where it was consumed, and prayed that Sum might be made good to her.

Whereas *Joseph Scott*, Esq; Sheriff of the County of *Newport*, exhibited to this Assembly, two Accounts by him charged against the Government ; one for Materials and Work by him found for repairing His Majesty's Goal in *Newport*, and the other for sundry Expences he was necessarily put to, to defend himself in a Suit bro't against him by *John Martin* for releasing *Joseph Whipple*, Esq; from Goal : Which Accounts being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the same be, and are hereby allowed, and that Two Hundred and Ninety-three Pounds Eight Shillings and Four Pence, the Amount of them, be paid the said *Joseph Scott* out of the General Treasury.

Whereas Information hath been made to this Assembly, by *Mr. Gideon Freeborn*, one of their Members, That *Gideon Wanton*, Esq; hath very grossly abused the General Assembly of this Colony : *This Assembly do therefore Vote and Resolve, and it is Voted and Resolved*, That a Precept be issued by the Secretary to the Sheriff of the County of *Newport*, to apprehend the said *Gideon Wanton*, and bring him before the General Assembly at their next Session, the first Wednesday of *May* next, to answer for the Abuse by him given as aforesaid, and to do what shall then and there be enjoined him.

Whereas *James Rogers* of *Newport*, Shopkeeper, represented unto this Assembly, That the making Pearl-Ashes within the Government, will be very Advantageous to the Colony upon several Accounts : But as it will be attended with considerable Cost and Trouble to the Undertakers ; and as the General Assembly have lately granted a Patent to *Mr. Lopez* for the sole making Pot-Ashes, he prayed an Act may be passed, enabling

Whereas *Beriah Brown*, Esq; Sheriff of *Kings County*, presented this Assembly with an Account by him charged against the Government, amounting to One Hundred and Thirty-nine Pounds Four Shillings, for a Journey to *Windham*, and sundry other Places, after one *John Cogswell*, and carrying him to Goal, by Order of the Superior Court; for the Ride of his Horse nine Days, sundry Expences in the Journey; and for Capt. *John Weight* who rode with him four Days as Aid to *Woodstock* and *Canterbury*, for the Ride of said *Weight's* Horse, and for keeping *Cogswell's* Mare four Weeks before she was sold, Part of which he receiv'd, some by Money found in *Cogswell's* Pocket Book, and the Remainder from the Sale of his Mare, &c.

Whereas *Gideon Cornell* and *Abraham Borden*, both of *Newport*, in the County of *Newport*, Esqrs. represented unto this Assembly,
That

That they, with Others, were Owners of the Sloop *Raven*, whereof *Matthew Borden* was late Master ; and after the Cessation of Arms between the Crowns of *Great-Britain* and *Spain*, sent her under said *Matthew's* Command, on a Voyage from *Newport* aforesaid, to the *West-Indies* ; in Prosecution whereof, she was taken and carried into *St. Jago d'Cuba*, and there condemn'd as lawful Prize. Some Time after which, the King of *Spain* ordered Restitution to be made of all such Captures. And whereas, the aforesaid *Gideon* and *Abraham*, with Others, were Owners of another Sloop called the *Triton*, which was seized in *Hispaniola*, in the Dominions of the *French* King, the tenth Day of *December*, One Thousand Seven Hundred and Forty-eight : But as they could find nothing against the said Sloop *Triton*, sufficient to condemn her, the General of *Hispaniola* aforesaid, by an arbitrary Power, ordered the said Sloop and Cargo to be sold, and the Money arising from the Sale thereof, to be deposited in the Treasury, until he could have Advice from *France*, how to conduct himself in the Affair : And that neither of them, or any of the other Owners of the said Sloops and Cargoes, have ever received any Satisfaction for the same. And as there is no Way to go and claim the said Vessels and Cargoes with Safety, but by Flag of Truce, or commission'd Vessels : Whereupon they supplicated this Assembly, to enable and qualify them to send a Flag or Flags of Truce, or a Vessel or Vessels, with Commission to go and claim the said Sloops and Cargoes.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Choice of Commission Officers for the several Companies hereafter named, be, and the same is hereby referred unto the next Session of this Assembly, viz. All Three of North-Kingstown, all Three of Scituate, first of Exeter. the Company in Bristol, second Company in Tiverton, Warren Company, and Richmond.

WHEREAS *John Ratbun* the third, of *Exeter*, in the County of *Kings County*, Yeoman, represented unto this Assembly, That at the Superior Court of Judicature, Court of Assize, and General Goal Delivery, begun and held at *South-Kingstown*, in and for the County of *Kings County*, on the second Tuesday of *April* last, the said *John* was indicted; for that upon the twentieth Day of *July*, One Thousand Seven Hundred and Forty-seven, and at divers Times after in said Year, he the said *John* did at *Exeter* aforesaid, with Force and Arms, counsel, advice, and encourage *William Reynolds*, late of said *Exeter*, Silversmith, in engraving and making one false and counterfeit Plate in the Imitation and Likeness of a true Plate of the Province of *New-Hampshire*, of the Denomination of Six Shillings New-Tenor, equivalent to Twenty Four Shillings Old-Tenor, and from which true Plate were emitted by said Province, Bills of Public Credit that passed in said Colony, and said false and counterfeit Plate was at said-Time and

and Place made ; which aforeſaid Aſt of him the ſaid *John Raſhbun*, is againſt a Statute Law of this Colony in this Caſe made and provided, and againſt his Maſteſty's Peace, his Crown and Dignity : And the ſaid *John Raſhbun* the Third, being arraigned, pleaded *Guilty*. In like Manner, the aforeſaid *John Raſhbun* was indicted, for that with Force and Arms, he the ſaid *John Raſhbun* the Third, at *Exeter*, in the aforeſaid County, Yeoman, on the fifth Day of *April*, One Thouſand Seven Hundred and Forty-seven, and at divers Times after in ſaid Year, did at *Exeter*, in ſaid County, with Force and Arms, counſel, adviſe, and encourage *William Reynolds*, late of *Exeter*, Silverſmith, in the Engraving and Making one falſe and counterſeit Plate of the Colony aforeſaid, whereupon the Bills of Public Credit of ſaid Colony, of the Denomination of Two Shillings and Six Pence New-Tenor, equal to Ten Shillings Old-Tenor, were impreſſed in the Year One Thouſand Seven Hundred and Forty-one ; which ſaid falſe and counterſeit Plate was at ſaid Time made and ingraven : Which Aſt of him the ſaid *John Raſhbun* the Third, is contrary to a Statute Law of this Colony in this Caſe made and provided, and is againſt his Maſteſty's Peace, his Crown and Dignity ; and the ſaid *John Raſhbun* the Third being arraigned, pleaded *Guilty*. In like Manner, the ſaid *John Raſhbun* the Third, was indicted ; for that with Force and Arms at *Exeter* in ſaid County, upon the firſt Day of *May*, One Thouſand Seven Hundred and Forty-seven, and at divers Times after in ſaid Year, he the ſaid *John* did wickedly counſel, adviſe, and encourage *William Reynolds*, late of ſaid *Exeter*, Silverſmith, in the Engraving and Making one falſe and counterſeit Plate in the Imitation and Likeneſs of the true Plate wherefrom the Bills of Public Credit of ſaid Colony, of the Denomination of Twenty Shillings New-Tenor, equivalent to Four Pounds Old-Tenor, were impreſſed in the Year One Thouſand Seven Hundred and Forty-one ; which ſaid falſe and counterſeit Plate, was at ſaid Time and Place engraved and made : Which aforeſaid Aſt of him the ſaid *John Raſhbun*, is contrary to a Statute Law of ſaid Colony in that Caſe provided, and is againſt his Maſteſty's Peace, his Crown and Dignity ; and the ſaid *John Raſhbun*, upon being arraigned, pleaded *Guilty*. Upon all which Indictments, the ſaid *John* was convict, whereupon by the Conſideration of ſaid Court, the ſaid *John* was ſentenced, That on the Twentieth Day of this Inſtant *May*, he, the ſaid *John*, ſhould ſtand in the Pillory by the Space of one Hour, have both his Ears cropt, and be branded with a hot Iron, with the Letter R on each Cheek : That he pay double Damages to all Perſons he had defrauded and cheated by Bills impreſſed from ſaid falſe Plates, or either of them : That he pay all Coſt of Proſecution, and forfeit all the Remainder of his Eſtate both Real and Perſonal, to his Maſteſty, to and for the Uſe of the Colony : And that he remain in Cuſtody till ſaid Sentence be performed. Which ſaid Court
being

being informed, that the said *John Rathbun* the Third was surprized into said Confession and Conviction, and being fully satisfied of the unfair Dealing with said *John*, by Means of Neglect of the Justices who took his and other's Examination, were pleased, in Honour to the Colony, and Justice to said *John*, to recommend the Consideration of his Case to the favourable Interposition of the General Assembly, for that the said Court was not informed of the Promises and Assurances made to the said *John*, when he was first prevailed upon to make a Confession of his Knowledge in this Matter, as by the Proceedings of said Court, at large may appear. And the said *John* farther represented, That he was promised and assured by the Justices who examined him in *Exeter*, (finding that he had a full Knowledge of the whole Transaction of *William Reynolds* and his Company, in making counterseit Plates and Money) and being sensible they could not get and obtain the Knowledge thereof, but by and thro' him the said *John*, in Behalf of the Government, assured him of being a King's Evidence against said *Reynolds* and his said Company, provided he would confess the Fact; which he the said *John* entirely relying and depending upon, did then make an ample and full Confession to said Justices of his whole Knowledge of said Affair, and that they promised to represent to the Justices of the Superior Court, that as he had so done, he might be made an Evidence against the said *William Reynolds* and his said Company. Nevertheless, it so happened, that it was neglected, the Justices depending on one another; so that no one informed the said Court thereof, he the said *John* was indicted and convicted to his great Surprise. But so soon as the Justices had heard of it, they instantly made Application to the Superior Court, who thought it grievous hard, that he should suffer criminally, for a joint Offence, that would never have been discovered but for him; and confiding in the Honour of the Government, pledged to him by the said Justices, prayed he may not be made a Sacrifice of, for discovering so pernicious a Confederacy against the Colony and all Mankind; and that the Honour of the Colony may be performed, when Justices and Officers in Authority, pledge it for the Good of the Government, Men may rely upon it: And upon the whole, he prayed. That according to the Power and Authority reposed in the General Assembly by the Charter, he might have a full and free Pardon granted unto him, of all and every the said Offences whereby he stands convicted as aforesaid, and disannul and make void said Sentence, and order that he be discharged from his Imprisonment immediately, he paying all Costs and Charges that have hitherto arose. And this Assembly having duly examined and considered the subject Matter aforesaid, *Do Vete, Enact, and Resolve, and it is Voted, Enacted, and Resolved*, That the Prayer of the said *John Rathbun's* Petition be, and the same is hereby granted.

Whereas

Whereas *John Cogswell*, late of the Colony of *Connecticut*, represented unto this Assembly, That he is now confined in his Majesty's Goal in *Newport*, under very melancholly and distressing Circumstances, occasioned by his own imprudent and bad Conduct; yet as he is now truly sensible of the Heinousness of the Crime for which he is under Sentence of the Law, and for which he must submit to Punishment, that will render his future Life uncomfortable, uneasy, and troublesome, and will thereby render him in some Measure useless to the Community, ^{the} ~~your~~ Mercy should interpose and mix with Justice: And altho' ^{the} ~~your~~ Petitioner himself is not in any Condition to make suitable Satisfaction for the Injury he hath offered to the Public, yet some of his Relations are in more flourishing Circumstances, and who have hitherto maintained a fair Character in the World, would for the said *John Cogswell's* Relief, as well as to avoid the Ignominy that will attend on the Execution of his Sentence, advance as much as the said *John* hath unjustly received from several Persons, many of whom are Inhabitants of this Colony, by passing and putting off counterfeit Money to the Amount of Nine Hundred Pounds, and would also pay all such Sums of Money as this Colony have expended in the Apprehending and Convicting the said *John Cogswell*, provided the General Assembly would, in their great Clemency, remit such Corporal Punishment as is due to such Offenders: Which Act of Favour and Mercy, if granted him, he having a just Sense and Abhorrence of his former Misdemeanours, and particularly this, for which he is under the just Frown of the Law, will lay him under a deeper Obligation to lead a Life the Reverse of his former, and thereby in some Measure atone to the Public for this his great Offence.

And this Assembly having taken the Premises into Consideration, *Do Vote, Resolve, and Enact, and it is Voted, Resolved, and Enacted*, That upon the said *John Cogswell's* lodging in the General Treasury of this Colony, the Sum of Sixteen Hundred Pounds, for changing the Counterfeit Sixteen Pound Bills he was convicted of making and fraudulently dispersing, for a valuable Consideration, among the Inhabitants of this Colony, and paying the whole Charge the Government hath been at in apprehending him, and the Charge of Conviction, or giving to the General Treasurer of this Colony, sufficient Security for the Payment of so much thereof, in Six Months, as he shall not pay down, on or before the Eighth Day of this Instant May, he the said *John Cogswell* shall be acquitted from the Pains and Penalties of said Sentence and Condemnation, and be fully pardoned.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Speaker of the Lower House and *John Tillinghast*, Esq;

E

be,

be, and they are hereby constituted a Committee to audit the Accounts of the Naval-Officer, respecting the Light-House Money.

This Assembly do also Vote and Resolve, and it is Voted and Resolved, That the Gentlemen aforesaid be, and they are hereby constituted a Committee, to receive of the late Captain of Fort George, the Stores thereto belonging, and deliver them to James Sheffield, Esq; now Commander of said Fort.

Whereas it appears, that John Cogswell has exchanged One Hundred and Twelve Pounds of the Counterfeit Sixteen Pound Bills by him passed; *This Assembly therefore do Vote and Resolve, and it is Voted and Resolved, That the said One Hundred and Twelve Pounds be deducted out of the Sixteen Hundred Pounds which he is ordered to lodge in the General Treasury.*

An ACT for naturalizing Jacob Lund.

Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved, That the said Account be, and it is hereby allowed, and that Fifty-three Pounds Ten Shillings, the Amount thereof, be paid the said Benjamin Hazard out of the General Treasury.*

Mr. Thomas Thompson	Dorchester
Mr. Joseph Smith	Kent

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Time for drawing of the *Kent Lottery* be lengthned out to the second Monday of *September* next.

Whereas *Jeremiah Lippit, James Helme, George Brown, James Sheffield,* and *Benjamin Nichols,* Esqrs. were appointed a Committee, and fully impowered to settle with *Jahleel Brenton,* Esq; the Controversy which hath so long subsisted between the Colony and said *Jahleel,* in the best Manner they could ; but having left the Business altogether unfinished, *This Assembly do Vote and Resolve, and it is Voted and Resolved,* That *Stephen Hopkins* and *Benjamin Nichols,* Esqrs. be, and they are hereby fully impowered to settle with the said *Jahleel Brenton* in the best Manner they can ; to receive what shall appear to be due from him to the Colony, and to give him a full Discharge in Behalf of the Colony.

Whereas *Ann* and *James Franklin* exhibited to this Assembly, an Account by them charged against the Government, for printing the Acts and Orders made and passed by the General Assembly at their Session in *February* last, and furnishing Paper for the Work : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved,* That the said Account be, and it is hereby allowed, and that Seventeen Pounds Two Shillings and Six Pence, be paid the said *Ann* and *James Franklin* out of the General Treasury.

TO our Time and Trouble, -	£. 6 0 0

John Tillinghast,
Thomas Cranston.

And now this Assembly having taken the Premises into Consideration, *Do Vote and Resolve, and it is Voted and Resolved*, That the foregoing Report be, and the same is hereby accepted; and that the Account thereto subjoined, be allowed, and Six Pounds, the Amount thereof, paid unto the said *John Tillinghast* and *Thomas Cranston* out of the General Treasury.

Whereas *Thomas Arnold* and *Thomas Lapbam*, Esqrs. with sundry others, represented unto this Assembly, That one of the most considerable Roads leading out of the Province of the *Massachusetts*, and by which the greatest Quantity of Boards, Hoops, and many other Things, are brought into this Colony, that come in any one Road in the Northern Part of the Town of *Smithfield*, crosseth a large River called *Cumstock's Branch*, which great Part of the Year is not passable for Carts or Horses, by fording: And as the want of a good Bridge across said River, had long been a very great Discongragement to the Inhabitants of said Province, from bringing their Goods into this Colony to Market, which was much to the Disadvantage of the trading Towns in it. And the Petitioners farther shewed, That in the latter Part of the Summer, in the Year of Our Lord One Thousand Seven Hundred and Fifty-three, a Number of public-spirited Gentlemen, well knowing the great Necessity there was of a Bridge at the Place aforesaid, and the

wonted

wonted Goodness of the General Assembly, to lend a helping Hand to every public Good, did undertake at their own Cost, and have actually built, and well finished a good Bridge over the said River, at the Place aforesaid; the Building of which (all Things charged at the most moderate Rate) cost more than Six Hundred Pounds: Whereupon the Petitioners prayed this Assembly to take the Matter into Consideration and grant the Persons who have built the Bridge aforesaid, such a Sum of Money out of the General Treasury, as shall be tho't reasonable to reimburse them for their Expences: And this Assembly having duly weighed the subject Matter of the Petition aforesaid, *Do Vote and Resolve, and it is Voted and Resolved*, That *One Hundred Pounds* be allowed and paid out of the General Treasury, towards the Charge of building the afore-mentioned Bridge, and that *Thomas Arnold, Esq;* draw said Sum out of the General Treasury for the Purpose aforesaid, and Proportion the same among the Persons that did the Work, according to the Amount of the several Bills.

Whereas the Superior Court of Judicature, Court of Assize, and General Goal Delivery, which was to have been held at *Bristol*, within and for the County of *Bristol*, on the second Tuesday of *April* last, fell thro', by Reason the Weather proved so tempestuous, that it was impracticable for the Judges to meet: And thence great Failure of Justice is likely to ensue:

For Preventing whereof,

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That all Business which was to have been done at said Court, shall be done and transacted at the next Superior Court of Judicature, Court of Assize, and General Goal Delivery, in said County; and that the same shall be as good, binding, and effectual, to every Intent and Purpose, as if the said Court which so fell thro', had been actually held, and the Business then and there done, transacted, and effected.

Whereas *Ann* and *James Franklin* exhibited to this Assembly, an Account by them charged against the Government, for printing the Acts and Orders made and past at the last General Election, and at the Session in *June* following, and for furnishing Paper for the Work: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the said Account be, and the same is hereby allowed: And that *Eighty-two Pounds*, the Amount thereof, be paid the said *Ann* and *James Franklin* out of the General Treasury.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Sum of *Twenty-five Thousand Pounds* be raised by a Tax, to be forthwith assessed and levied on the Estates and Polls

of the Inhabitants of this Colony ; and that the same be applied to sink the Colony's outstanding Bills of public Credit, and to supply the Treasury : And that a Committee of both Houses be appointed to prepare a Bill, and Proportion the same.

This Assembly do Vote and Resolve. and it is Voted and Resolved, That the Sum of Five Thousand Pounds be raised by a Tax, to be forthwith assessed and levied on the Estates and Polls of the Inhabitants of this Colony, and that the same be applied to repair Fort George.

Whereas the Duties laid on *Shipping* have been found insufficient to defray the Charge of Lights at *Beaver-Tail*, since the Light-House was burnt there : *This Assembly therefore do Vote and Resolve, and it is Voted and Resolved,* That Six Pence per Ton be added to every Ton of the Shipping which pays by the Ton ; and that Five Shillings be added to the Ten Shillings which every Coaster is by Law obliged now to pay : And that the Additions of the Duties hereby made, continue and remain until the first Day of *March* next.

Whereas the Commissioners, that on the Part of this Colony, attended the late Congress at *Albany*, in the Province of *New-York*, presented the following Report, *to wit :*

“ *To the Hon. the General Assembly of His Majesty's Colony of Rhode-Island, now sitting :*

“ **WE** the Subscribers, being by a Vote of said Assembly, at their Sessions in *June* last, appointed Commissioners to represent this Colony at the then approaching Congress at *Albany*, did, in Consequence thereof, receive from his Honour the Governor, our Commission, with the Act of Assembly relative thereto, and did accordingly set out immediately for *Albany*, where we arrived in good Season.

The Friendship and Alliance with the *Six Nations of Indians* being renewed and confirmed by a Treaty, in which this and all the Colonies on the Continent united ; We, by Virtue of the Act aforesaid, made a *Present to the said Indians* of some Necessaries, amounting to Forty Pounds *York* Currency, which considering the Liberality of His Majesty and the other Colonies in that Respect, *we judged sufficient*, and for which we drew a Set of Bills of Exchange, on the General Treasurer, directing the Payment to Col. *John Henry Lydius* of *Albany*, the Gentleman who supplied us with that Sum

We herewith present a Copy of the Proceedings at the said Congress, in which is contained, a *Representation of the State of the English Colonies on this Continent*, chiefly with Relation to the *French and Indians*.

Indians, drawn up and approved by the Board of Commissioners at said Congress ; and also, a *Plan of a proposed Union of all the said Colonies*, which from the Facts set forth in the said Representation, was judged absolutely necessary to be speedily effected. It was therefore a Resolution of said Board, that the respective Commissioners should lay the same before the General Assemblies of the Colonies they severally represented ; which, for our Parts, we accordingly now do, and submit the same, with this our Report, to the Consideration of this Hon. Assembly.

Newport, August 20. 1754.

Stephen Hopkins,
Martin Howard, jun."

And now this Assembly having taken the Premises into Consideration, *Do Vote and Resolve, and it is Voted and Resolved*, That the foregoing Report be, and the same is hereby accepted ; *this Assembly nevertheless reserving* to themselves a farther Consideration, whether they will accede to the General Plan proposed.

Whereas Capt. *John Weight* exhibited to this Assembly, an Account by him charged against the Government, for his Attendance nine Days on the General Assembly, at two Sessions in *South-Kingstown*, one held on the last Wednesday of *October*, and the other on the Twenty-fifth Day of *February* last : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the said Account be, and the same is hereby allowed ; and that Eighteen Pounds, the Amount thereof, be paid the said *John Weight* out of the General Treasury.

Daniel Jenckes and *Robert Gibbs*, Esqrs. presented the following Report :

" **W**E the Subscribers, being appointed by the General Assembly at their Session in *June* last, to receive all the Writs and Executions, and other Papers that were in the Hands of *John Mawney*, Esq; as Sheriff at the Time of his Decease. *Do Report*, That soon after the Rising of this Assembly, we applied to the said *Mawney's* Executor, who deliver'd one small Execution, *John Gould* against *Hezekiah Tinkum*, returned satisfied, which we sent to be lodged in Mr. *Lyndon's* Office, and there was only one small Execution more. *Joseph Turpin* against *Peter Buteman*, which appeared to be served, by Minutes that was made by Mr. *Mawney's* Hand-writing, and how the Money was to be paid, &c. And Mr. *Mawney's* Executor informed us, all the Executions, that was in Mr. *Mawney's* Possession when he was taken sick, was delivered to Capt. *Jonathan Olney*, who was one of Mr. *Mawney's* Deputies.

Providence, August 16. 1754.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Committee appointed to inspect the Records of the Inferior Court of Common Pleas, and General Sessions of the Peace, in and for the County of *Providence*, be, and they are hereby continued for that Purpose, and that they make Report to this Assembly at their next Session.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Bills of Cost which arose at the last Inferior Court held at *Providence*, and are not yet taxed, shall be taxed, notwithstanding the Time limited by Law for that Purpose is elapsed.

Whereas Messrs. *Daniel Jenckes*, and *Thomas Howland*, represented unto this Assembly, That they, with sundry other Merchants, were concerned in two Vessels that were taken by a *Spanish Privateer*, after the Cessation of Arms between our Sovereign and the King of *Spain*, and carried into the Island of *Hispaniola*, and from thence to *St. Jago de Cuba*, and that they had been at considerable Expence in sending Col. *William Hopkins*, to enquire after the same, but have not hitherto been able to obtain a satisfactory Account from that Gentleman: Whereupon they prayed, that an Act may be passed, empowering his Honour the Governor to grant a Commission for a Vessel to be fitted out at their own proper Cost and Charge, and sent to *Leogan* on the said Island of *Hispaniola*, and from thence to the aforesaid Port of *St. Jago de Cuba*, in order to recover their own with the Interest of the other Parties concerned.

And now this Assembly having duly inquired into, and maturely considered the Subject Matters of the Petition aforesaid *Do Vote and Resolve, and it is Voted and Resolved*, That the Prayer thereof be, and the same is hereby granted: And his Honour the Governor is desired to make and issue a Commission accordingly.

WHEREAS *Col. Joseph Pendleton*, represented unto this Assembly. That on the Settlement of his Lottery, he fell Seven Hundred and Eighty-three Pounds Twelve Shillings in Debt to the Colony, for which he gave Bond, with two good Sureties, payable in a Year after ; that he has paid the Interest for the Money one Year, and was allowed to have it another, by an Act made and past by the General Assembly, at their Session in *South-Kingstown*, the last Wednesday of October, One Thousand Seven Hundred and Fifty-three. That the Time of Payment (according to the Bond) will be some Time next Month ; and that being unable to collect the whole of the Money when it shall become due, he prayed, That upon his paying one Half at the Day, the Remainder may be continued in his Hands, upon Interest, one Year longer On Consideration whereof, *This Assembly*

Assembly do Vote and Resolve, and it is Voted and Resolved, That if the said Joseph Pendleton shall pay one Half of the Debt when due, he may have the Remainder one Year longer upon Interest : But if he shall neglect paying of the one Half when it becomes due, that his Bond for the whole be put in Suit, at next Kings County Court.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That Jabez Bowen and Daniel Tenckes, Esqrs. with Mr. Nicholas Brown, be, and they are hereby constituted a Committee, to audit the Accounts of the Gentlemen that were appointed to build a new Goal-house and Goal in Providence, and make Report to this Assembly so soon as they can.

Whereas *Ann* and *James Franklin* exhibited to this Assembly, an Account by them charged against the Government, for furnishing Paper, and printing the Acts and Orders made and passd by the General Assembly, at their Session in *Newport* last *August*: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved, That the said Account be and the same is hereby allowed, and that Twenty-nine Pounds, the Amount thereof, be paid the said Ann and James Franklin out of the General Treasury.*

And whereas the said *Ann* and *James Franklin* exhibited to this Assembly, another Account by them charged against the Government, for furnishing Paper, printing, folding, and stitching One Hundred and Twenty Copies of the Bill proposed to be passed into an Act, for the Relief of Insolvent Debtors: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved, That the said Account be, and the same is hereby allowed, and that Thirty Pounds, the Amount thereof, be paid the said Ann and James Franklin out of the General Treasury.*

Whereas *Benjamin Nichols*, Esq, one of the Grand Committee, exhibited to this Assembly, an Account by him charged against the Government, for his Time, Horse-hire, and Expences, in a Journey by him made to *Woodstock*, conformable to the General Assembly's Order, upon some Persons being apprehended there, for counterfeiting this Colony's Four Pound Bills of the last Emission: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved, That the said Account be, and the same is hereby allowed; and that Twenty-nine Pounds One Shilling and Three Pence, the Amount thereof, be paid unto the said Benjamin Nichols out of the General Treasury.*

Whereas *Thomas Richardson*, Esq; the present General Treasurer, presented a Memorial, and among other Things, recommended unto the Consideration of this Assembly, Whether the General
Treasurer

Treasurer ought not to be allowed more than Two Hundred Pounds for his Twelve Months constant Service and Attendance? And also, Whether those Persons who buy and sell Lands for their own private Advantage, which are mortgaged to the Government, ought not to allow him a reasonable Consideration for exchanging their Interest Bonds? which often prove very troublesome, especially when the Committee-Men know not where, nor at what Town the Money was first taken; and more especially in the last Emission, when Persons have mortgaged large Tracts, and sold them to five or six Persons, which gives the Treasurer much Trouble, in examining sixty or seventy Bonds, and to see they all make out exactly the one original Sum, &c.

On Consideration whereof,

This Assembly do Vote and Enact, and by the Authority thereof, It is Voted and Enacted, That the General Treasurer of this Colony for the Time being, shall forever hereafter be allowed One Shilling Old-Tenor, for every Interest Bond that he shall deliver out by Way of Exchange for other Bonds in his Office, to be paid by the Person exchanging the same.

An ACT for assessing and levying a Tax of Thirty-five Thousand Pounds.

W H E R E A S this Colony is indebted in a large Sum of Money, emitted by Acts of Assembly, in Bills of Public Credit, for supplying the Treasury; and the Time for calling in said Bills being near expiring: And whereas, Fort George is in a bad Condition, and wants some necessary Repairs; for the Accomplishing of which good Ends in Part, the last Assembly voted a Tax of Twenty five Thousand Pounds, to be assessed, levied, and applied towards sinking the Colony's outstanding Bills of Public Credit, and a Tax of Five Thousand Pounds, to be applied to repair Fort George; but as the said Assembly did not apportion the said Taxes on the several Towns of the Colony; and as the Sum voted for repairing the Fort, is not sufficient for that Purpose,

B E it therefore Enacted by the General Assembly, and by the Authority thereof, IT IS ENACTED, That there be Thirty-five Thousand Pounds Old-Tenor raised by a Tax, to be forthwith assessed and levied, agreeable to Law, on the Estates and Poles of the Inhabitants of this Colony, in the following Proportion, viz. on

I THE Subscriber do dissent from the above Proportion of the above Rate, by Reason the Town of *South-Kingsfown* is over proportion'd in Proportion to the other Towns in the County or *Kings County*, as I am knowing to the Value of the Estates in the other Towns in the County.

Rowland Robinson.

WE the Subscribers dissent from this Proportion to the Town of *Jamestown*, it being too high.

Whereas the Inhabitants of the compact Part of the Town of *Providence*, represented unto this Assembly, That they conceive there is a great Necessity to have a Water-Engine of a large Size purchased to extinguish Fires that may casually break out in said Town ; and that the best Way to obtain one, will be by laying a Tax on the Houses, Goods, and other Things, liable to be destroyed by Fire.

On Consideration whereof,

BE it Enacted by this Assembly, and by the Authority of the same. It is Enacted, That *Obadiah Brown* and *James Angel*, Esqrs. be, and they are hereby impowered to rate the Housing, and all other Things within the compact Part of the said Town of *Providence*, which are liable to be destroyed by Fire, a Sum of Money sufficient to purchase an Engine as is above described ; and that the said Rate be levied so soon as may be, and the Money thereby raised, immediately put into the Hands of the said *Obediah Brown* and *James Angel*, for the speedy purchasing said Engine.

AND be it farther Enacted by the Authority aforesaid, That every House-keeper, within the Space of three Months, be provided with two good Leathern Buckets, under the Penalty of forfeiting the Sum of Twenty Pounds ; one Half to the Informer, and the other Half to and for the Use of the Poor of the said Town of *Providence*.

AND be it farther Enacted by the Authority aforesaid, That the Money so raised, be by said *Brown* and *Angel*, subject to, and put under the Direction of the major Part of the Voters, among the Inhabitants of the compact Part of the said Town of *Providence*, and appropriated to purchase said Engine, in and after such Manner as they shall think fit.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *James Sheffield*, Esq; and *Mr. William Read*, be, and they are hereby constituted a Committee, to repair *Fort George*, and purchase Materials therefor.

WHEREAS *Benjamin Sherburne, Henry Sowle, Joseph Sowle, Benjamin Cornel, George Lawson, William Bliss, John Bailey, Samuel Bailey, Henry Tew, jun. Alexander Bradford, Benjamin Hall, jun. and John Clark, jun.* by Petition, represented unto this Assembly, That they have observed, with much Concern, the declining and even wretched State of the Militia in this Colony, and are therefore apprehensive, that almost all the Inhabitants of the Government are so ignorant of Military Discipline, and poorly provided with Arms and Ammunition, that we are liable to be vanquished by a very small Number of regular Troops ; and as it is more than probable, there will soon be a very fierce War with the *French*, and our Weakness is so well known to that Nation, the Petitioners think we may with a great deal of Reason expect a Visit from them before long ; and if this fine Government, which

is inhabited by a great Number of brave *Engliffmen*, fhould be reduced by a fmall Number of that Nation, which we are fo apt to defpife, it would bring an eternal Odium on the Name of an *Engliffman*, which we fo much prize and value ourfelves upon: They earneftly intreated this Affembly to confider from whence our Weaknefs arifes, and in whose Power it is to ftrengthen us; and being willing to afford what Affiftance is in their Power, defired to be formed into a Troop of Horfe, which being well difciplined, they apprehend may be of great Service in an Attack of the Enemy. And as they have been informed, the prefent Officers of the Troop in the County of *Newport*, decline ferving, and have done no Duty for feveral Years paft, they humbly prayed this Affembly to appoint the above-named Capt. *Benj. Sherburne*, Captain; Mr. *Henry Sowle*, Lieutenant; and Mr. *Joseph Sowle*, Cornet of faid Troop, under whom they engaged immediately to inlift. And being very certain, that nothing will conduce fo much to raifing the Credit and Reputation of our Militia, as putting a fevere Fine upon Delinquents, they defired that the Fine of a common Trooper for non Appearance, may be fet at Four Pounds *per Day*, and for an Officer, fo much as the Affembly fhall think proper.

Which being duly confidered,

BE it Enacted by this General Affembly, and by the Authority thereof, It is Enacted, That the Prayer of the Petitioners be, and the fame is hereby granted, provided fifty Perfons, exclusive of Officers, fhall inlift by the firft of May next, and that the Fine of a delinquent Officer fhall be Four Pounds per Day.

This Affembly do Vote and Enact, and by their Authority, It is Voted and Enacted, That the Town of Providence fhall fend for the future, one Petit Juror more, and the Town of Cranfton one lefs than heretofore, unto each of the Courts, Superior and Inferior, as they fhall be fucceffively held within and for the County of Providence.

This Affembly do Vote and Refolve, and it is Voted and Refolved, That James Helme and Rowland Robinfon, Efqs. be, and they are hereby constituted a Committee, to infpect the Court Houfe and Goal in Kings County, and fee if the Perfons who engaged to build the fame, have performed their Engagements, fo as to be difcharged from their Bonds or not, and make Report to the General Affembly as foon as conveniently may be.

This Affembly do Vote and Refolve, and it is Voted and Refolved, That the Captain of Fort George inlift, as foon as he fhall think it neceffary, to the Number of fifty Men, for a Company to meet at faid Fort, as often as the Captain fhall think proper, to praftife exercifing the Cannon, and to repair to faid Fort on all Occafions, to defend the fame, without any Expence to the Government, and to be excufed from all other Military Duties.

This

This Assembly do chuse and appoint *John Tillinghast* and *Thomas Cranston*, Esqrs. a Committee to audit the Accounts of the Naval Officer. and make Report to the General Assembly as soon as conveniently may be; and if there be not a Ballance due from the Naval-Officer, sufficient to supply the Light-House with Oil, that said Committee draw out of the General Treasury, a sufficient Sum for the purchasing Oil; which Money is to be repaid into the General Treasury, when Money enough comes into the Naval Office for that Purpose.

Whereas *Joseph Olney* exhibited to this Assembly, an Account by him charged against the Government, for repairing the Glass of the Windows in the Court and Goal Houses in *Providence*: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the said Account be, and the same is hereby allowed, and that Six Pounds One Shilling and Six Pence, the Amount thereof, be paid the said *Joseph Olney* out of the General Treasury.

An ACT exempting a Mill proposed to be built on the Land of *Toleration Harris* in *Warwick*, from the Operation of the Laws now in Force in this Colony, concerning Mills.

WHEREAS many of the Inhabitants of that Part of *Warwick* called *Cowislet*, and others, have by Petition, represented unto this Assembly, That at present there is no Corn-Mill convenient for them, and others their Neighbours, which obliges them to go a great Distance to Mill: That there is a proper and suitable Place for erecting a Corn-Mill upon the Land of the aforesaid *Toleration Harris*, which lieth near them; but that the Erecting a Mill thereon, will so much incommode him, that he is unwilling to build one for the common Profits, as they are rated by the Laws of this Colony.

And whereas, the Petitioners have declared, that they are willing to agree with the said *Toleration Harris* as they can, for grinding their Corn, and he is willing to erect a Corn-Mill in said Place, provided the said Mill when built, in all Time to come, be exempted from the Laws of the Colony regulating Mills.

WHEREFORE this Assembly having taken into Consideration, the Necessity of the Case, and the special Reasons offered by the Petitioners, Do Enact, and by their Authority, It is Enacted, That when and as soon as the said *Toleration Harris* shall have erected a Grift-Mill upon a Stream running by his Farm, whereon he now dwelleth, near a Place called *Apponsug* in *Warwick*, that then it shall be, and is hereby granted unto the said *Toleration Harris*, and to his Heirs and Assigns forever, that the said Grift Mill shall be always free, clear, and acquitted from all Laws of this Colony, concerning Grift-Mills; as also, from all Customs of Toll and all other Restraints, of what Name or Nature soever, that commonly

commonly bind Grist-Mills and Millers : And that it shall be lawful for him the said *Toleration Harris*, his Heirs and Assigns, to grind, or refuse to grind, for whom he pleaseth, and upon such Terms only, as he is willing to agree to, with those for whom he shall grind : Any Law, Custom, or Usage, to the contrary hercof, in anywise, notwithstanding.

WHEREAS a great Number of the Inhabitants of the Town of *Providence*, represented by Petition, unto this Assembly, That the first Company or train'd Band of said Town, consists of about Three Hundred Men, and therefore is too large a Number to be well disciplined in one Body, by one Set of Officers : That many of said Company live too remote, to meet with Convenience at the usual Place of said Company's Rendezvous : Whereupon it was humbly prayed, that the same may be divided into two Companies or trained Bands, by a Line beginning at *Mason's Ferry* in said Town of *Providence*, and from thence running Westward along the Highway to the Head of the Coal Lane so called, and to be continued from thence along said Lane to the Salt Water Cove, until it meet the Eastern Line of the *Weniscut* Company, thence Northward along said Line, as it is already settled by Act of Assembly ; which Line will take into the proposed new Company, about One Hundred and Fifty Men of the old. And it was farther prayed, That the *Utenfils* now belonging to the said first Company, may be equally divided between the two Companies, &c.

On Consideration whereof,

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the said first Company of the said Town of *Providence* be, and the same is divided into, made, and created, two distinct and separate Companies, according to the Prayer of the Petitioners ; and that the new or Northern Company to be taken off in Consequence of this Act, shall be the Fourth in Number, of said Town of *Providence*.

Assembly, at their Session held in *Providence* on the last Monday of *October*, One Thousand Seven Hundred and Fifty; and also every other Matter and Thing with Regard to the Grand Committee's Office, and receive of him the Ballance they shall find due unto the Colony, giving a Receipt for the same.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That Edward Scott, Peter Bours, and Benjamin Nichols, Esqrs. be, and they, or any two of them, are hereby constituted a Committee to audit the Accounts of the Directors of the Newport Lottery, and make Report unto the General Assembly as soon as possible.

BE it therefore Enacted by this General Assembly, and by the Authority thereof, it is Enacted, That at all Times hereafter, the Superior Court of Judicature, Court of Assize, and General Gaol Delivery, shall commence and begin its Spring-Term within and for the County of Kent, on the fourth Tuesday of April, and the Inferior Court of Common Pleas and General Sessions of the Peace, in and for the County of Kings County, their Summer-Term, on the second Tuesday of August annually. Whereas *Philip Greene* and *Daniel Jenckes*, Esqrs. who were appointed by the General Assembly, at their Session in *June*, One Thousand Seven Hundred and Fifty-four, to run the dividing Line between the Towns of *Providence* and *Cranston*, exhibited unto this Assembly, an Account by them charged against the Government, for their Time and Expence in performing that Service : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That said Account be, and the same is hereby allowed, and that Six Pounds, the Amount thereof, be paid the said *Philip Greene* and *Daniel Jenckes* out of the General Treasury,

An ACT for emitting more Bills upon the Credit of this Colony, for and towards carrying on the Part by this Government undertaken in the present Expedition, for removing Encroachments made by the *French*.

WHEREAS it is very evident, that the Sum of Sixty Thousand Pounds in Old-Tenor Bills, ordered by the General Assembly at their Session in *Providence* the sixth Day of *January* last, is altogether insufficient to defray the Expence necessarily arising upon the Government, with Respect to that Part which they have undertaken in the Expedition above-mentioned.

BE it therefore Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That for the Purpose aforesaid, the Sum of Forty Thousand Pounds in such Bills as are above-mentioned, be struck off, that is to say, ~~three~~ ^{three} from the large, and the Remainder from the small Plate last used by this Government : That it be emitted upon the same Foundation, and sunk in the same Manner, and at the same Periods of Time with the said Sixty Thousand Pounds : That the small Plate be new dated, with the Addition of *CROWN POINT* upon the Back, and the Bills signed by the Committee that signed the said Sixty Thousand Pounds : That Ten of the Forty Thousand Pounds be struck off at one Time, and when that shall be expended, Ten Thousand Pounds more, and so on, until the whole Sum of Forty Thousand Pounds be emitted, if Necessity may require it.

Be it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That his Honor the Deputy Governor, *Daniel Jenckes*, Esq, and the Secretary, be, and they are hereby constituted a Committee to represent this Colony, and directed and fully impowered to demand, sue for, and take into Possession, this Colony's Part of the *French* Schooner and her Cargo lately forfeited and condemned by the Court of Vice-Admiralty in this Colony ; and also the Colony's Part of all and every other Vessel or Vessels, Cargo or Cargoes, that may hereafter be forfeited.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the General Treasurer pay and discharge a Bill of Exchange, dated *January* the 15th, 1755, and drawn by *Richard Partridge*, Esq, our Agent in *Great-Britain*, for One Hundred and Fifty Pound.

Sterling, upon the Hon. *William Greene*, Esq; late Governor of this Colony, and charge the same unto Account of the Government.

Whereas *Edward Cole*, Esq; Captain of the first Company raised in this Colony, to serve in the Expedition now on Foot, hath been promoted and made Lieutenant-Colonel of our Regiment in that Service; whence it will come to pass, that the Lieutenant of his Company will be obliged to perform more than ordinary Duty *Be it therefore Enacted by this General Assembly, and by the Authority thereof, It is Enacted*, That the Wages of the Lieutenant of the said *Edward Cole's* Company, be augmented and made *Ninety Pounds per Month*.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That when the Collectors of the Rate made by this Colony, return their Warrants, and pay in the Money collected, if it shall appear unto the General Treasurer, that any Sums that shall be in Arrear, could not have been collected, he shall grant forth a new Warrant or Warrants, for collecting the same, returnable in one Month.

Whereas there was an Act made and passed by the General Assembly, at their Session in *Providence* upon the sixth Day of *March* last, entituled, *An Act to restrain the sending Provisions and warlike Stores to Cape-Breton, or any other French Port or Settlement in North-America*, which was to be and continue in Force until the first Wednesday of *May* thence next ensuing; which said Act was by the General Assembly, at their Session last Month, revived and made to take Effect, and continue in Force; with an Addition thereunto forbidding the Collector, and every one under him, to clear out any Vessel or Vessels to *Cape-Breton*, on any Pretence whatever; and that the same Act, with the Addition thereto made as aforesaid, should be and continue in Force until the Rising of this Assembly. *And forasmuch*, as the Occasion of making and continuing said Act, with the Addition aforesaid, still subsist, *Be it Enacted by this General Assembly, and by the Authority thereof, It is Enacted*, That the Act aforesaid, with the Clause thereto added, be, and the same is hereby continued, and shall have and take Force, and be of Effect to all Intents and Purposes, until the Rising of the General Assembly at their next Session.

An ACT for raising and supporting three Companies of Fifty Men each, including Officers, to join the Troops already sent by this Government in the Expedition against *Crown-Point*.

WHERE AS the Defeat of the English Army at or near the Monongahela, may not only inspirit the French and their Indian Allies, but give them an Opportunity, and the Advantage of detaching such a Part of their Forces to the Northward, as may render the Success of the Expedition under Major General Shirley against Niagara precarious, but frustrate that which this Colony, in Conjunction with some other of His Majesty's Governments in North-America are engaged in against Crown-Point, and thereby bring the English Empire in those Parts into considerable Danger.

For preventing whereof, as far as lieth in the Power of this Colony,

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That Three Companies of Fifty Men each, including Officers, be forthwith raised and supported at the Expence of this Colony, under the Command of such Officers as shall be chosen and appointed for that Purpose, and sent by Land unto Albany, as fast as the Companies can be filled up, by Order of his Honor the Governor; and from thence to march with the utmost Expedition, so as to join and be added unto the Regiment already sent by this Government against Crown-Point, under the Command of Col. Christopher Harris, before any Action is entered upon, if possible.

AND be it farther Enacted by the Authority aforesaid, That the Officers to be chosen, shall have and receive the same Wages, and enjoy equal Immunities and Advantages with those already sent; and every Soldier to be raised, the same Wages, Bounties, and Immunities in every Respect, as were granted the Soldiers of our aforesaid Regiment: And as a farther Encouragement, and for the more speedy raising Men to form the three new Companies, each Soldier shall have and be allowed upon his enlistment, a Bounty of Twenty-five Pounds Old-Tenar more than was allowed or granted unto the Soldiers first raised in this Colony.

AND to the End that there may be a Sufficiency in the General Treasury for raising Men, paying Bounties, supporting the Troops, and other incident Charges, *Be it farther Enacted*, That the Sum of Twenty Thousand Pounds be forthwith made and struck off from the Plates which were used at the Beginning of the Expedition, and signed by the Committee that signed those Bills, and deposited with the General Treasurer, to be taken, drawn out, and used as Occasion shall require.

AND be it farther Enacted, That the Bills so emitted, shall pursuant to Act of Parliament, be called in and sunk within the Space or Term of two Years from the Passing this Act, by a Tax to be assessed and levied upon the Inhabitants of this Colony, in the same Manner as the Tax for sinking the Sixty Thousand Pounds ordered to be made and struck off by the General Assembly in March last.

BOTH Houses being resolved into a Grand Committee, the Gentlemen whose Names hereafter follow, were chosen and appointed unto the Offices ascribed unto their respective Names.

His Honor the Governor, Chief Justice of the Superior Court of Judicature, Court of Assize, and General Gaol Delivery.

And to the End that no Opportunity may be given to evil-minded Persons to contract for, and to export any Provision or Warlike Stores, contrary to the true Intent and Meaning of this Act, all His Majesty's Peace Officers in general, are hereby impowered, and strictly required, to take Notice of, and examin into the Conduct of all Strangers and others, who they have any Reason to believe are about to do any Thing contrary to this Act, and if it shall appear to them needful, to secure any suspected Person, 'till he enter into Recognizance with good Sureties, to do nothing contrary to this Act ; or if Strangers, and can give no good Account of themselves and Business, forthwith to depart this Colony. BE it therefore Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the above-mention'd Act, and every Clause therein contained, with all such Additions as have since at any Time been thereunto made, be, and hereby is continued, and shall have full Force and Effect, until such Time as this Assembly shall otherwise order.

AND be it farther Enacted, That no Provisions of any Kind whatever, Fish only excepted, shall be exported out of this Colony in any Ship or Vessel, more than is barely sufficient for Viſtualling ſuch Ship's Company for her intended Voyage : And that if any Perſon or Perſon ſhall preſume to ſhip or put on Board any Ship or Vessel, a greater Quantity of any Kind of Proviſions than is above mentioned, the Offender or Offenders, contrary to the true Intent and Meaning of this Act, ſhall forfeit all ſuch Proviſions, together with the Ship or Vessel on Board which they are put or laded, and all the other Goods on Board ſuch Ship or Vessel ; one Half to the Uſe of the Colony, and the other Half to him who ſhall inform and ſue for the ſame.

PROVIDED Nevertheless, and it is the true Intent and Meaning of this Act, That nothing herein contained, ſhall be conſtrued to prohibit the Exporting from this Colony, any Cheeſe, Cattle, Sheep, Hogs, or Fowls, being alive, with Grain ſufficient for their Support on the Voyage to any *Engliſh* Port, *Newfoundland* excepted, provided Bond be given agreeable to the above-mention'd Law ; nor to obſtruct the transporting Proviſions of any Kind from this Colony to *Albany*, for the Uſe of the Colony's Forces gone or to be ſent on the Expedition againſt *Crown-Point* : And this Act ſhall be forthwith publiſhed, and be in Force.

This and the preceding Act were publiſhed according to Order, the fifteenth Day of Auguſt, 1755.

the Peace, shall be assessed, upon Pain that every One of them shall forfeit and pay Five Pounds for every Week he, she, or they shall fail therein ; to be recovered by an Action of the Case, to be bro't by the Overseers of the Poor of the Town where such poor or indigent Person shall dwell or reside.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That Thomas Cranston, James Sheffield, and Benjamin Nichols, Esqrs. or the major Part of them, be, and they are hereby appointed, and fully empowered to settle with Jableel Brenton, Esq; the Controversy which hath so long subsisted between the Colony and the said Jableel Brenton, in the best Manner they can, and receive what shall appear due unto the Colony from him, giving a full Discharge in the Colony's Behalf.

Whereas there are six Vessels in the Harbour of *Newport* cleared out for foreign Parts, having Provisions on Board, as appears by a List exhibited unto this Assembly by the Collector : *This Assembly therefore do Vote and Resolve, and it is Voted and Resolved, That the Committee of War be, and they are hereby authorized and fully empowered to take and detain for the Use of the Government, so much of those Provisions as they shall deem necessary to supply the Troops by this Assembly ordered to be raised, and then give Orders unto the Captain of the Fort to permit those Vessels to go to Sea.*

Whereas *Jean Joyeux, Hubert Castendet, and John Gazan*. Subjects of the *French King*, represented unto this Assembly, That they have for several Years last past, resided by Times in *Newport*, whither they came with no other View than to trade with the *English* in a friendly Manner : That their last coming was purely to settle their Affairs, pay the Debts they had contracted, and then return unto their respective Habitations, but that soon after their Arrival, they were confined to their Lodgings, and remain so ever since, which hath put it out of their Power to settle their Affairs : That during their Confinement, they have preferred two Petitions unto the Committee of War, begging Leave to go abroad, but unto such Parts of the Town only as their Business should necessarily call them : That the said Committee have not yet thought proper to grant the Liberty desired : Whereupon they prayed this Assembly to grant them what they requested of the Committee of War.

On Consideration whereof,

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Petitioners have twenty Days after the Rising of this Assembly allowed them, in order to settle their Accounts : That they be, during that Time, under the Inspection of the Committee of War, and then to depart this Colony ; and in Case they shall not depart before nor at said Time, that they be sent away by the Committee of War ; and that all other Subjects of the *French King* within this Colony, depart the same within twenty Days, or otherwise be sent away also by the Committee of War.

And it is also farther Voted and Resolved, That the Collector of His Majesty's Customs in *Newport*, be, and hereby is directed and empowered to oblige every Master of a Vessel bound to Sea, to carry away as many of said *Frenchmen* as the Committee of War shall think proper, before he clears such Vessel out.

Whereas *Gideon Siffon* exhibited unto this Assembly, an Account by him charged against the Government, for three Ruggs by him delivered last March unto *George Lawton*, Keeper of His Majesty's Goal in *Newport*, for the Use of Prisoners then and there confined : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*. That the said Account be, and the same is hereby allowed, and that Fourteen Pounds, the Amount thereof, be paid the said *Gideon Siffon* out of the General Treasury.

The Gentlemen that were appointed to enquire into the Grounds of the Rumour that Vessels had sailed laden, and others were sitting out from this Colony, designed to go among the *French* with Provisions, presented what follows, *to wit*.

“ **W** E the Subscribers having made strict Enquiry into the Affair mentioned in the above Vote, do Report, That *John Lavigne*, Master of the Sloop *Ranger*, bound to *Antigua*, one of the Vessels that failed in Company with the Snow in which the *French* Marquiss embarked, has made Oath, That he had on Board only three Barrels of Pork, one Barrel of Beef, one Barrel of Mutton, and three Tierces of Bread: That he intended to take on Board twelve Sheep, and three Shotes; and that he would not lade or suffer to be laden on Board said Vessel for the intended Voyage, after clearing out, any other Provisions than the above-mentioned, as appears by a Certificate in the Collector's Office, dated *July 12. A. D. 1755*, signed by *Edward Scott, Justice, &c.* And *Mr. John Collins*, sole Owner of said Sloop, has on Engagement before us, declared, That to the best of his Knowledge, there were no more Provisions on Board than the Master had given an Account of. That *Job Easton*, Master of the Sloop *Bonetta*, cleared out for *Antigua* the other Vessel that sail'd in Company with the above-mentioned Snow, has made Oath, that he had no more Provisions, nor would take any more on Board said Vessel than are absolutely necessarily for said Voyage, as appears by a Certificate in the Office aforesaid, dated *July 12. 1755*, signed by *Joseph Sylvestre* Justice of the Peace; and Messrs. *Jonathan Thurston* and *John Jesson*, Owners of the said Sloop, and *Mr. Godfrey Mullbone, jun.* who chartered one Half of her, have made Oath before us, that all the Provisions on Board said Sloop, were three Barrels and one Half of Pork, three Barrels and one Half of Beef, three Hogheads and seven Barrels of Bread, One Hundred and Sixty-nine Weight of Bacon, Six Sheep, and One Half Bushel of Peas. That *Simon Rhodes, John Waite, John Updike, and Jeremiah Wilcox* had cleared out with Provisions, being Live Stock for *Hallifax*, all of whom had given Bond pursuant to Act of Assembly; and that said Bonds were shewn to us by the Collector, who has assured us, that all the Masters of Vessels cleared out in his Office with more Provisions than were necessary for their Victualling on the proposed Voyage, had given the like Bonds.

And

And that we are of Opinion, that the Report of Vessels having failed from this Port with Provisions designed for the *French*, is absolutely without Foundation.

An ACT for raising Two Hundred Men to reinforce the *English* Army gone against *Crown-Point*.

WHEREAS by *Advices* lately received from *Major General Johnson*, Commander in Chief of the *Provincial Forces* employed in the Expedition against *Crown-Point*, it appears that the *French* are in a Condition to bring a much greater Number of Men to oppose that Enterprise, than the Colonies had at that Time raised for carrying it on, which makes it absolutely necessary that large Reinforcements should be speedily sent unto our Army: And as the Province of the *Massachusetts-Bay*, and the Colony of *Connecticut*, have already ordered very large Numbers of Men to be immediately raised and employed in that Service; and this Colony is willing also to contribute in Proportion to their Ability, towards so necessary a Measure.

BE it therefore Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That Two Hundred Men be forthwith raised in this Colony, to be disposed into Four Companies of Fifty Men each, including Officers; and as soon as the said Companies are respectively full, the Committee of War immediately cause them to move forward and join the Regiment already raised, and now in the Service under the Command of *Col. Christopher Harris*.

AND be it further Enacted by the Authority aforesaid, That the Soldiers so to be raised, shall upon their Inlistment, receive each Man a Bounty of Forty Pounds, and a good Blanket gratis, or in Lieu thereof Eight Pounds, if he furnish himself with one; and the Officers shall have and receive the following Monthly Wages, viz. every Captain, One Hundred Pounds; every Lieutenant, Sixty Pounds; every Ensign, Fifty Pounds; every Sergeant and Drummer, Twenty Pounds; every Corporal, Eighteen Pounds; and each common Soldier, Sixteen Pounds: All which Wages and Bounties shall be paid and given in Old-Tenor Bills of Public Credit. Moreover, every Officer and Soldier shall have one Month's Pay advanced to him

him before he marches, and enjoy the same Immunities and Advantages which the Soldiers already raised in this Colony, are allowed by the former Acts.

AND be it further Enacted by the Authority aforesaid, That Officers shall be forthwith chosen to command the said Four Companies ; and in Case any of them, when chosen, shall refuse to take his Office, or neglect to enter upon the Duty of inlisting Men forthwith, or shall die, that the Committee of War shall appoint another or others in his or their Stead : And all and every of said Officers shall be commissioned by his Honor the Governor, in the same Manner and Form as the former Officers were, and shall use their best Endeavours to enlist as many able-bodied Men as possible, in any Part of the Colony, for the making up their respective Companies, until the Twenty-second Day of this Instant September when they shall make a proper and exact Return of their Inlistments unto the Committee of War : And if it shall happen, that the Companies are not filled up at said Time, the Committee of War shall forthwith cause the Number of Men wanted, to be immediately impressed according to the following Proportion, as near as may be, viz.

The Regiment of the County of *Newport*, Seventy.

The Regiment of the County of *Providence*, Fifty-five.

The Regiment of the County of *Kings-County*, Forty-eight.

The Regiment of the County of *Kent*, Twenty-seven.

Nevertheless, of the Twenty Men already inlisted, sixteen shall be assigned to the County of *Kings County*, and Four to the County of *Kent*, as Part of their Proportions : And when Return is made of the Number of Men necessary to compleat the said Four Companies, the Committee of War, or any Two of them, shall forthwith give Orders to the respective Field-Officers of the Regiments aforesaid, to cause an impress to be made immediately, as near as may be in equal Proportion, according to the Number of Soldiers in the several Trained Bands in their respective Regiments, and this Proportion shall be settled by the Field-Officers in each Regiment, according to the Muster Rolls of the several Companies, which they shall cause to be laid before them, and sworn unto by the Clerks ; and thereupon the principal Field-Officer in each Regiment, shall issue Warrants, directed to the several Captains in his Regiment, requiring them forthwith to cause to be impressed, the Number of able-bodied Men respectively deficient as aforesaid, and requiring all the other Officers and Soldiers in his Regiment, to be aiding and assisting therein. And Officers that shall refuse or omit to perform the Duties hereby enjoined, shall incur the following Forfeitures, to be recovered in Bills of Credit of the Old-Tenor, by Bill, Plaint, or Information, in any Court of Record within this Colony, viz. every Field-Officer, *Five Hundred Pounds* ; every Captain, Lieutenant, and Ensign, *Two Hundred Pounds* ; and every Sergeant and Corporal, *One Hundred Pounds* ; and immediately after the Number

deficient is impressed, Return shall be made unto the Committee of War. And every Man impressed as aforesaid, shall be obliged to attend the King's Service in the said Expedition, upon the Penalty of *One Hundred Pounds Old-Tenor*, to be recovered as aforesaid, or shall find a good able-bodied Man to attend the Service in his Stead. And every Man impressed as aforesaid, shall afterwards have Liberty to enlist as a Volontier : All which Forfeitures and Penalties made and recovered as aforesaid, shall be disposed of to the Colony's Use : And that his Honor the Governor forthwith issue Warrants, requiring the Field-Officers to conform themselves unto this Act.

AND be it further Enacted by the Authority aforesaid, That all enlisting Officers shall upon the Day appointed for making Return of their Enlistments, report the Number of Small Arms wanted, unto the Committee of War, who shall hire or give Orders for impressing them according to their Discretion.

AND be it further Enacted, That in Case there shall be at the Time of marching, any Deliciency in the Number of Soldiers by Sicknels, Death, or Desertion, the Committee of War shall cause it to be supplied in Manner aforesaid, according to their Discretion, and shall have Power, if any not duly qualified for the Service are impressed, to grant him or them a Release, and cause another or others to be taken in his or their Stead.

AND be it further Enacted by the Authority aforesaid, That all who have deserted from the Army shall be forgiven, in Case they surrender themselves unto the Committee of War, and again return to their Duty before the Troops by this Act ordered to be raised, shall move forward; and hereof the Committee of War shall forthwith set up public Advertisements.

AND to the End that there may be a Sufficiency in the General Treasury for raising said Men, paying the Bounties, and defraying other incident Charges, Be it further Enacted, That the Sum of *Sixty Thousand Pounds Old-Tenor* be forthwith struck off from the Plates before used in this Expedition, and signed by the Committee that signed the former Bills, and lodged in the Treasurer's Office, to be drawn out by the Committee of War, and used as Occasion may require.

AND be it further Enacted, That the Bills so ^{omitted} ~~enacted~~, shall pursuant to Act of Parliament, be called in and sunk within the Space of Two Years from the Passing this Act, by a Tax to be assessed and levied upon the Inhabitants of this Colony, in the same Manner as the Money last made for the carrying on this Expedition, is to be called in and sunk.

An ACT to prevent Desertion of the Forces raised and to be raised in this Colony, for the Expedition against *Crown-Point*.

BE it Enacted by this General Assembly, and by the Authority thereof It is Enacted, That all Magistrates, Justices of the Peace, Sherives, and their Deputies, all Constables, and other Civil Officers, and all Military Officers, and all other Persons whatever, shall have Power and Authority to apprehend any Person or Persons in the King's Service, that have or shall desert therefrom, and cause him or them to be committed to any of His Majesty's Gaols in this Colony, in order to be sent by some one of the Committee of War unto the Army, if the same can be done ; but if not, such Deserter or Deserters shall be imprisoned until the Return of the Forces, and then be tried and punished for such Desertion, by Martial Law. And all Deserters from the aforesaid Army, that were enlisted in the neighbouring Governments, shall, if found in this Colony, be apprehended in like Manner, and sent to the Governments whereunto they respectively belong.

AND be it further Enacted by the Authority aforesaid, That whoever shall receive or entertain in his, her, or their House, any such Deserter or Deserters, or shall employ him or them to labour, or give or sell him or them any Victuals, or other Sustenance, or shall conceal or neglect to apprehend and deliver him or them to the Authority, if in his, her, or their Power, knowing such Person or Persons to have been guilty of Desertion as aforesaid, shall for every such Offence, forfeit the Sum of *Sixty Pounds Old-Tenor* unto and for the Use of this Colony ; to be recovered in any Court of Record, by Bill, Plaint, or Information.

AND be it further Enacted by the Authority aforesaid, That no Person or Persons appearing in a common Character, shall be permitted to travel within this Colony, save in the County where such Traveller or Travellers actually dwell, without a Pass under the Hand of a Justice of the Peace, or some superior Officer in this or the neighbouring Governments.

AND his Honor the Governor is desired to correspond with the Governors of the *Massachusetts-Bay* and *Connecticut*, and agree with them upon some Method of procuring constant Intelligence from the Army gone against *Crown-Point*.

BOTH Houses being resolved into a Grand Committee, the following Officers were chosen to command the Four Companies now ordered to be raised, as a farther Reinforcement of the Army now gone against *Crown-Point*, under the Command of Maj. Gen. *Johnson*, to wit ;

THOMAS CRANSTON, Esq; was chosen Speaker : And
 JOSTAS LYNDON, Esq; Clerk of the Lower House.

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the Committee who audited the Accounts of the Directors of Joseph Fox's Lottery, be, and they are hereby appointed to audit Col. John Gardner's Accounts respecting said Lottery ; and upon his paying what shall appear to be due from him, that the Action brought against said Directors be withdrawn : And if the said Col. Gardner's Accounts be not examin'd before said Action shall be brought to a Trial, that the same be continued unto the Interior Court of Common Pleas, to be held at Newport, within and for the County of Newport, on the last Tuesday of May next.

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That two Commissioners be appointed on the
 Part

Part of this Colony, to meet Commissioners of the other Governments at *New-York*, in order to consider the State and Circumstances of said Governments, with Regard to the Inroachments of the *French*, &c. and that an Act be drawn up accordingly.

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That his Honor the Governor, and the Attorney General, be, and they are hereby constituted a Committee, to prepare a Bill for appointing Commissioners on the Part of this Colony, to meet Commissioners of the other Governments, to consider the State of said Governments, in Respect to the Inroachments of the *French*, &c. and present the same to this Assembly as soon as possible.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *Nicholas Cook*, *Philip Greene*, and *George Brown*, Esqrs. be, and they are hereby appointed a Committee, to audit *Daniel Jenckes*, Esq; and *Mr. Elisha Brown*, their Accounts of the Charges of finishing the new Gaol in *Providence* : And that the said Committee give an Order upon the General Treasurer, for such Part of the Money that shall appear to be due to said *Jenckes* and *Brown*, as said Committee shall think proper and make Report to this Assembly at their next Session.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *Obadiah Brown*, *James Sheffield*, and *Joseph Ruffel*, Esqrs. together with *Mr. Joseph Lippitt*, who were appointed a Committee to audit the Accounts of the Committee of War, be, and they are hereby further continued a Committee for that Purpose ; and that any two of them be, and are hereby authorized and fully empowered to audit the Accounts of his Honor the Governor and *Daniel Jenckes*, Esq; and make Report unto this Assembly at their next Session.

Whereas *Benjamin Tucker*, *John Boutin*, *Sampson Hendrick*, *John Munro*, *David Commings*, and *Joshua Phillips*, Prisoners confined for Debt in His Majesty's Gaol at *Newport*, presented a Petition, and represented unto this Assembly, That whereas the Bill, laid before the General Assembly held at *Newport*, on Monday the Eleventh of *August* last, for the Relief of Insolvent Debtors, was not passed into an Act : That their long and tedious Confinement has rendered them altogether unable to support their Families any longer : That without the Benevolence of such as pleased to extend their Charity, the Families of the Petitioners must unavoidably perish for want of the meer Necessaries of Life : That they themselves cannot but expect to share an equal Fate with them, as the Law provides no more than *Thirty Shillings per Week* for the Subsistence of an Insolvent Debtor, which when obtained, is of very little Service to them, as it is not in their Power to apply the same, as it may suit their Conveniences, by Reason the Money is paid

to the Gaol Keeper, &c. And thereupon prayed, That such an Allowance as may be thought reasonable for the Subsistence of an imprisoned insolvent Debtor, may be paid weekly by the Creditor : And that where such Creditor lives out of the Government, his Attorney may be obliged to pay the same unto the Debtor.

On Consideration whereof,

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That every Creditor who will keep his Insolvent Debtor confined within a Gaol, shall be obliged to pay him *Forty-five Shillings per Week*.

Whereas Major *Ebenezer Brenton*, and many Others, Inhabitants of *South-Kingstown*, and Parts adjacent, preferred a Petition, and represented unto this Assembly, That the Fishery in *Point-Judith Pond*, so called, which is of vast Importance, not only to the Inhabitants of the Town aforesaid, and others in the Vicinity thereof, but also to the Town of *Newport*, and all the Western Part of this Colony, is like to be utterly destroyed, without a suitable Provision, to prevent People from fishing with *Seans* in the Breach and Channel of said Pond, at all Seasons ; by which the Course of the Fish is daily obstructed, and if not speedily prevented, will be totally turned some other Way, to the great Damage, not only of said Town, but of the greater Part of this Colony : That altho' there is a Law in that Case made and provided, well adapted to remedy the Inconvenience aforesaid, save that the Fine is not proportionate to the Damage that is daily sustained by the Breach thereof ; for that *Forty Shillings*, the Fine now stated, will never prevent the Drawing a *Sean*, where the Drawers are morally assured to gain a sufficient Profit over and above said Fine, even if it should be levied upon them : And thereupon the Petitioners prayed, That the Fine in the Act above-mentioned, may be augmented to *Fifty Pounds*.

On Consideration whereof,

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the Fine in the Act made and passed by the General Assembly at their Session in *Newport*, on the second Monday in *June*, One Thousand Seven Hundred and Thirty-six, be, and is hereby augmented to *Fifty Pounds*, that is to say, where it relates the Fishery of the Pond aforesaid.

is Voted and Resolved, That the said Account be, and the same is hereby allowed, and that One Hundred and Fifty-nine Pounds Fifteen Shillings, the Amount thereof, be paid the said *Job Randal* out of the General Treasury.

Whereas *Jeremiah Whipple*, Esq; exhibited unto this Assembly, an Account of Ten Pounds by him charged against the Government, for Horse-hire and Expences, in taking and carrying *Abijah Smith* to *Providence*; for Money paid *Benjamin Brown*, who went after said *Smith*; for going and searching *Solomon Smith's* House for counterfeit Dollars; and for examining and committing *Sarah Staples* to *Providence* Gaol: Which being duly examined, *This Assembly do Vote and Resolve*, and it is *Voted and Resolved*, That said Account, and every Article of it be, and is hereby allowed, except one Article that relates to *Sarah Staples*, amounting to Twenty Shillings, and that Nine Pounds, the remaining Sum, be paid the said *Jeremiah Whipple* out of the General Treasury.

Whereas *Nathan Jenckes*, a Deputy Sheriff in the County of *Providence*, exhibited unto this Assembly, an Account of One Hundred and Fifteen Pounds Fourteen Shillings, by him charged against the Government, for removing *John King* and *David Thayer* from His Majesty's Gaol in *Newport* to that in *Providence*, by Virtue of an *Habeas Corpus* from the Clerk of *Providence* Superior Court: for the Time, Horse-hire, and Expences of himself and his Aid, in performing that Service; for the Time, Horse-hire, and Expences of himself and his Aid, in Pursuit of *John King* as far as *Wanskicket Falls*; for the Time, Horse-hire, and Expences of himself and his Aid, in seeking and finding *David Brown* of *Scituate*, and for his attending the Superior Court, and Prisoners, &c. Whereas *David Dexter* exhibited unto this Assembly, an Account charged against the Government, for his Time, Expences, and

N

Horse-hire,

Horse-hire, in taking *Abijah Smith*; for carrying *Solomon Finney* and his Wife to *Providence Gaol*; and for apprehending *Enoch Streeter*, and committing him to said Gaol: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That said Account be, and the same is hereby allowed, and that Ten Pounds Ten Shillings, the Amount thereof, be paid the said *David Dexter* out of the General Treasury.

WHEREAS the numerous Encroachments made by the French on the undoubted Dominions of his Britannic Majesty, our most gracious Sovereign, in North-America, hath necessitated the Colonies to rise in their own Defence, and endeavour to remove such dangerous Neighbours to a greater Distance. And as the disunited State of the English Colonies, is such, as renders it impracticable for them to exert their natural Strength against their common Enemy, in any other Manner than that of a general Meeting by Representatives, to consult and provide Means for their common Defence and Safety. Wherefore, and to contribute towards so salutary a Measure, as far as the Abilities of this Colony will admit,

*BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That his Honor the Governor, and Daniel Updike, Esq; be, and they are hereby chosen and appointed Commissioners for and in Behalf of this Colony, with full Power and Authority to appear and represent the same at any Meeting of the Commissioners of the other British Northern Colonies, with his Excellency above-named; and with them to concert proper Measures for quartering, subsisting, furloughing, or discharging the provincial Troops now in the Field; to concert proper Measures that the Campaign may be rendered successful this Year, or in the next Spring; to contrive and establish proper Ways and Means for supplying the present, or any future provincial Armies, with Provisions and other Necessaries; to agree upon, and settle the Proportion and Quota of this and the other Colonies concerned in the present Expedition against *Crown-Point*, for and towards the said Expedition; and to agree upon a joint Application unto His Majesty, for the obtaining such Assistance to His Colonies, as may enable them to repel their common Enemy, and put in Execution such Measures as will effectually establish the Peace and Tranquility of His Majesty's good Subjects in *North-America*. And in Case no such general Convention of the Representatives of the Governments in *North-America*, shall be had, that the Commissioners above-named shall have, and hereby is granted them equal Authority to meet and act at any Convention of the Governments, immediately concerned in the Expedition against *Crown-Point*, that shall be agreed upon, and that as fully and effectually, to all Intents and Purposes, as are herein before expressed. And his Honor the Governor is requested to cause the needful Commissions to be made out, and to transmit a Copy of this Act to all the Governments in *North-America*.*

WHEREAS it is ordained, in and by the Act above-mentioned, That all Perſons who are convicted of counterfeiting any of the Bills of public Credit, ſhall forfeit all their Eſtates, both real and perſonal, to and for the Uſe of the Colony ; but it often happens, that Perſons apparently guilty of the ſaid Crime, make their Eſcape, and fly from Juſtice, which prevents their Conviction, and thereby the Forfeiture of their Eſtates is avoided, contrary to the true Intent and Meaning of ſaid Act.

wherever it should be ; since which, the Line between *Westerly* and *Exeter* has been settled. and that so far to the Northward, that *Benjamin Hall*, one of the Petitioners, who owned the Land which the Highway run thorough, where the Line was not settled. did insist, that the Committee should measure the Land taken up by said Highway, and set a Price upon it : Whereupon the said *Stephen Richmond* and *Benjamin Brown*, went in September, One Thousand Seven Hundred and Fifty-four, and taking with them the aforesaid *Simeon Perry*, as Surveyor, ran out said Highway : That it was agreed to give the said *Benjamin Hall* Twenty Pounds Old-Tenor for his Land : That a Return was drawn and sent to the General Assembly by Mr. *Benjamin Barber*, who was a Deputy at that Time ; but it was casually lost or mislaid, so that the Committee have not been paid for their Service, nor the said *Hall* for his Land ; and prayed upon the whole, that the Town of *Westerly* may be ordered to pay them their just Due.

AND be it further Enacted by the Authority aforesaid, That as soon as such Assignment or Assignments, Deed or Deeds, Convey- ance or Conveyances, are made as aforesaid, it shall and may be lawful to and for the Commissioners appointed as aforesaid, to re- ceive and take into Possession, all and singular the Goods and Chattels, Lands, Tenements, and Hereditaments, of the Insolvent Debtor or Debtors, assigned, conveyed, or made over unto them for the Use and Purpose aforesaid, and the same to sell and dispose of in that Manner which they the said Commissioners shall think best, and most for the Advantage of the Creditors: But before any Sale or Disposition, they are hereby directed, and it is required of them to give Notice in Manner as is herein before prescribed, unto all Persons, to send or bring in and prove his, her, or their respective Demands, within nine Months from the Day whereon the said Commissioners were appointed; and if it shall happen, that the Time of nine Months limited as aforesaid, be found too short for the Commissioners to settle and adjust all Accounts subsisting be- tween such Insolvent Debtor or Debtors, and his, her, or their

And on the other Hand, if any Action or Suit shall be brought or prosecuted against any Judge or Judges, Sheriff or Gaoler,

Gaoler, or other Officer, for doing or performing any Act, Matter, or Thing hereby made incumbent on him or them, to be done or performed, the Defendant or Defendants may plead the general Issue, and give this Act in Evidence, and thereupon be acquitted, and recover double Costs.

That which follows, contains a Copy of the Message referred to in the preceding Vote.

“ TO THE GENERAL ASSEMBLY.

Gentlemen,

PUBLIC Affairs, of the greatest Importance to the Honor and Interest of this Colony, must receive their Determination from your Resolutions at this Time.

The Money granted by the *British* Parliament to the Colonies of *New-England*, *New-York*, and *New-Jersey*, being now arrived in *America*, the Manner in which this Colony's Proportion of it shall be applied to the *Calling in and Sinking the Bills heretofore ordered to be sunk by it*, must now be ascertained.

The Bills of Credit last emitted by this Colony, being so much obstructed in their Circulation by many, *whose Designs seem Calculated to ruin the public Credit of the Colony, with which its Constitution must also sink*, it is become absolutely necessary, either to call in and sink those Bills immediately, or find some other Expedient to give them Credit.

The Money already provided for carrying on the present Expedition against *Crown-Point*, being wholly exhausted, and our Forces like to continue some Time longer abroad, where they must be provided for, and at their Return, will reasonably demand their Wages; and many Expences already accrued, not
being

being paid, some Method must be taken to supply the General Treasury with Money sufficient for those Purposes.

These, with such other Things as are in Course before you, will come under your Consideration at this Session.

Council Chamber, Newport,
23d August, 1756.

STEP. HOPKINS."

Whereas *Benjamin Arnold*, Esq; Sheriff of the County of *Kent*, exhibited unto this Assembly, an Account by him charged against the Colony, for his Time and Expences, whilst summoning the Members of the General Assembly that live in said County, to meet at *Newport* on the twenty-second Day of *June* last, in order to hold the Session that was at that Time had pursuant to his Honor the Governor's Warrants. And this Assembly having taken said Account into Consideration, and duly examined it, *Do Vote and Resolve, and it is Voted and Resolved*, That the same be, and is hereby allowed, and that Twelve Pounds, the Amount thereof, be paid the said *Beriah Brown* out of the General Treasury.

Whereas *William Paul*, one of the Sheriff's Deputies in the County of *Newport*, exhibited unto this Assembly, an Account by him charged against the Colony, for his Service and Expences in notifying the Members of the General Assembly that live in said County, to meet at *Newport* on the twenty-second Day of *June* last, in order to hold the Session that was had at that Time, pursuant to the Warrants issued by his Honor the Governor. An ACT increasing the Allowance to the Keepers of His Majesty's Gaols in this Colony, for the Support of poor Prisoners committed at the King's Suit.

Whereas the Allowance made by the late Act of the General Assembly, for the Support of poor Prisoners committed at the Suit of the King, is so small, and Provisions so dear, that said Allowance is not sufficient to support them.

BE it therefore Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the Sum of Forty-five Shillings shall be allowed weekly and every Week, unto every Gaol keeper in this Colony, for the Support and Maintenance of every such poor Prisoner as abovementioned, that is now, or hereafter shall be committed to any of His Majesty's Gaols in this Colony.

Account whatever : That most of them have sailed out of *Newport* for several Years ; but being unfortunately here at this Juncture, they have been lately committed to Gaol, there to remain, as they apprehend, till a Flag of Truce shall be appointed to carry them to some *French* Port : That the Circumstance of their trading with the *English*, if known, as it will, should they return directly to a *French* Port in a Flag of Truce, will subject them to a severe Punishment : And therefore, as the Manner of their Return to the *French* Islands is of no Moment to any but themselves. they begg'd Leave to depart this Colony, and go by the first Opportunity to their respective Homes, by the Way of *St. Eustatia*, *St. Thomas*, *Curacao*, or any other Neutral Port, as that Method will protect them from the Danger which they conceive may attend their going in a more direct Way : And that they are willing to submit the Vessel in which they shall embark, and the Time of their Embarkation, to the Appointment of this Assembly, &c.

On Consideration whereof,

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Petitioners have Liberty to depart this Colony to some Neutral Port, and that the same be by and with the Consent and Direction of the Committee of War.

Whereas the Proprietors of the Ferry-places in *Newport*, *Jamestown*, *North-Kingstown*, and *South-Kingstown*, preferred a Petition, and represented, That since the General Assembly made the last Act for regulating the Prices of Ferriage, the Currency hath greatly depreciated, Provisions of all Sorts, as well as Canvas, Rigging, Iron-work, Tallow, and all other Necessaries, for keeping their Boats and Wharves in a Condition suitable to the Purpose that they were procured and made for, have risen to more than double the Prices they stood at when the Act aforesaid was made ; and thereupon prayed, the Prices of Ferriage may be augmented.

On Consideration whereof,

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the Prices of Ferriage between *Newport* and *Jamestown*, and between *Jamestown* and *North-Kingstown* and *South-Kingstown*, be raised and stated at the following Prices, to wit : For a Man and Horse Six Shillings, for a drist Horse Six Shillings, a single Person Three Shillings, an Ox or neat Creature Eight Shillings, a Hog, Calf, or Sheep One Shilling, and for a Horse and Chaise, or Chair Twenty-four Shillings, the Owners of every Ferry taking Leases of the Committee that shall be appointed for that Purpose, and giving Bond for the due and faithful Performance of such their Leases.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *Nicholas Easson*, *Obadiah Brown*, *Jeremiah Lippitt*, and *John Walton*,

Walton, Esqrs. together with *Mr. Samael Ward*, and *Col. Benoni Waterman*, be, and they are hereby appointed a Committee, to prepare a Bill in Amendment of, and Addition to the several Laws of this Colony, regulating the public Rates and Taxes thereof.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *William Richmond, Esq;* *Maj. Thomas Greene, William Earl, Esq;* and *Mr. Thomas Church*, be, and they are hereby appointed a Committee, to state the Prices of Ferriage over the several Ferries in this Colony, where the same have not been already stated by this Assembly, and that they make Report as soon as may be.

And it is farther Voted and Resolved, That *William Richmond* and *Josiah Arnold, Esqrs.* *Mr. William Reul* and *Capt. William Hafsard* be, and they are hereby appointed a Committee to lease out all the Ferries.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That a public Lottery be set up by this Colony, for raising the Sum of *Ten Thousand Pounds*, to carry on the Building of *Fort George*, and that *Edward Scott, Esq;* with *Messrs. Augustus Johnson*, and *Martin Howard, jun.* be, and they are hereby appointed a Committee to prepare a Bill for that Purpose, and present the same unto this Assembly as soon as may be.

Whereas *William Pelsue* exhibited unto this Assembly, an Account of Two Pounds Ten Shillings, by him charged against the Colony, for his Horse-hire and Time in going to his Honor the Deputy Governor, by Order of *James Honyman, Esq;* to get a Warrant for proclaiming His Majesty's Declaration of War against France: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That Thirty Shillings of said Account be allowed and paid the said *William Pelsue* out of the General Treasury.

WE the Subscribers, dissent from this Vote for the following Reasons, *viz.*

1. Because we are of Opinion that the Rates of the several Towns in the County of *Kings County*, instead of being equally and justly proportioned, as all Rates should be, will, according to the above Proportion, be extremely unequal; and think it will fully appear: For, according to that Estimation, the Town of *Westerly* is to pay above Six Thousand Pounds Old-Tenor, and the Town of *North-Kingstown* not Five Thousand Pounds, whereas there are more Inhabitants in *North-Kingstown* than in *Westerly*, the Soil in our Opinions better, besides the great Benefit of being nearer the Market.

We are of Opinion also, that the Inequality of the above Proportion will farther appear, by comparing the Towns of *South-*

Kingstown and *Westerly* ; for *South-Kingstown* contains near as much Land as *Westerly*, the Soil beyond Comparison better, much nearer to Market, the Inhabitants possessed of many Slaves, and being the County Town, it draws a good deal of Money out of the rest of the County : And upon all these Accounts, ought to pay near as much again as *Westerly*.

And we imagin the Inequality will further appear, by comparing *Charlestown* and *Richmond*, for according to the best Judgment we can form, the Town of *Richmond* contains more Inhabitants than *Charlestown*, and ought therefore to pay near as much as *Charlestown* ; instead of which, they will not pay so much by above Six Hundred Pounds Old-Tenor.

It is said in the Report, that all reasonable Arguments were used to convince us of the Equity of their Proposal, when no one Argument was offered that appeared to us to be reasonable ; for tho' they offered that a Sum should be taken off *Charlestown* and *Westerly*, yet as that Sum was not any Way equal to the Burthen which was laid upon us in the last Rate (for Proof of which, we appeal to the Proportion of the Rate for Thirty-five Thousand Pounds) we thought in Justice to our Constituents, we could not comply with it.

Joshua Clarke,
Samuel Ward,
Christop Champlin,
Gideon Hoxse.

I PROTEST against the Proportion to the Town of *James-town*, for the following Reason, to wit, that I think that Town is greatly overproportioned according to several other Towns in the County of *Newport*.

Edward Carr.

I DISSENT from the above Proportion respecting the Towns of *Scituate* and *Glocester*, for that the former is too low or the latter too high.

Richard Steere.

WE the Subscribers do dissent from the above Vote for the Reasons following : For that the Town of *West-Greenwich* was very much burthened with a heavy Tax before : And our Conference with our Brethren of the County of *Kent*, was wrong represented to the Lower House by one of the Members : And the Representatives of the South County were all out of the House, so that the whole of the Tax the South County was disburthen'd of, was laid on *Coxentry* and *West-Greenwich*, which is a grievous Hardship for *West-Greenwich* to bear ; for that we think that *Warwick* and *East-Greenwich* in Justice ought to have taken their proportionable Part, according to the former Tax.

Which we humbly submit to your Honours to consider.

Preserved Hall,
Samuel Dyre.

We

WE the Subscribers beg Leave to dissent from the within Vote, for the County of *Bristol*, as to the Proportions of the Towns of *Warren* and *Bristol*, for the following Reasons, *viz.*

First : We look upon the Town of *Warren* to be equal in Value to the Town of *Bristol*.

Secondly : As it was a Tye-Vote in the Lower House, and the Speaker turned the Vote in Favor of the Town of *Warren* ; but upon the best Information he could get afterwards, was of Opinion that the Town of *Bristol* was over-proportioned.

Thomas Greene,
Nataniel Fales.

I The Subscriber do protest against the Proportion of the several Towns in the County of *Newport*, for the following Reasons.

1. Because there is a considerable Sum taken off *Newshoburnham* and added to *Little-Compton*, to the Amount of almost Four Hundred Pounds over and above the last Proportion to said Town.

2. That the above Sum, or the major Part thereof, should have been put to some of the other Towns, and to the Town of *Newport* in particular.

Thomas Church.

Joseph Ruffell,
James Sheffield,
O. Brown.

And this Assembly having taken the said Report into Consideration, *Do Vote and Resolve, and it is Voted and Resolved*, That the same be, and is hereby accepted.

Whereas Capt. *Jeremiah Greene* exhibited unto this Assembly, an Account of Eighty-nine Pounds Eighteen Shillings, by him charged against the Colony, for his Time, Horsehire, and Expences, in going with an Express from the Government unto his Excellency the Earl of *Loudoun*: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That said Account be, and the same is hereby allowed, he the said *Jeremiah* paying his Honor the Governor Thirty Pounds Two Shillings, it being so much more than the Amount of said Account, which his Honor put into the Hands of the said *Jeremiah*, in Dollars and Bills of Credit, when he sat out upon the Journey aforesaid.

Whereas

Whereas *Thomas Hafzard* of *South-Kingstown*, in the County of *Kings County*, late Keeper of His Majesty's Gaol in said County, preferred a Petition, and represented unto this Assembly, that on the twenty-ninth Day of *June*, One Thousand Seven Hundred and Fifty-three, one *Mary Rogers*, a transient Person, was committed to said Gaol by a *Mittimus* under the Hands and Seals of *Daniel Coggeshall* and *John Congdon*, Esqrs. two of His Majesty's Justices of the Peace, being charged with having stolen sundry Goods from *Rouse Helme* of *North-Kingstown*: That the Petitioner, in Obedience to the Command of said Justices, receiv'd the said *Mary Rogers* into, and furnished her with Necessaries at said Gaol for the Space of five Weeks and three Days at his own proper Cost: That the said *Mary* was afterwards discharged by the Justices of the General Sessions of the Peace; but the Petitioner hath never received any Satisfaction for his Care and Expences above mentioned: And therefore, as the said *Mary Rogers* was committed at the King's Suit, no Ways able to make Satisfaction, and he the Petitioner could not legally demand it of any other Person, the said *Thomas Hafzard* prayed this Assembly to order him to be paid out of the General Treasury.

On Consideration whereof,

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Judges of the Inferior Court of Common Pleas in the County of *Kings County*, enquire into the subject Matter of the aforesaid Petition, and give an Order on the General Treasurer to pay the said *Thomas Hafzard* what shall appear to be due to him.

Whereas *Benjamin Arnold*, Esq; Sheriff of the County of *Kent*, exhibited unto this Assembly, an Account amounting to Two Hundred and Fifty-six Pounds Two Shillings and One Penny, by him charged against the Colony, for Cash expended and advanced to sundry Persons by him employed, in Consequence of an Act of the General Assembly, to dig a Well in the Gaol Yard of said County; for their boarding; for Gunpowder to blow up a Rock that hindered their digging; for Drills to perform that Business, and mending them, &c. Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the Sum of Two Hundred and Thirty-seven Pounds Seven Shillings and One Penny of said Account, be, and is hereby allowed, and shall be paid the said *Benjamin Arnold* out of the General Treasury.

Whereas this Assembly hath been informed that *Samuel Thayer* of *Providence* hath grossly abused them, *They therefore Vote and Resolve, and it is Voted and Resolved*, That the said *Samuel Thayer* be immediately brought before this Assembly, to answer for his said Misdemeanor; and that the Secretary forthwith issue a Warrant, directed unto the Sheriff of the County of *Providence*, or his Deputy, for that Purpose.

C c

Whereas

Whereas *Henry Nickless* exhibited unto this Assembly, an Account charged against the Colony, for Meat, Drink, Washing, and Lodging, by him furnished unto *William Bridges*, one of the Witnesses against Capt. *Joseph Hughes*, which began in Consequence of an Order from the late Deputy Governor the Hon. *Jonathan Nichols*, Esq; deceased : And the said Account being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the same be, and hereby is allowed, and that Forty-two Pounds, the Amount thereof, be paid the said *Henry Nickless* out of the General Treasury.

Whereas the General Assembly at their last Session, passed a Vote, resolving that the Committee, or the major Part of them, that were appointed to audit the Accounts of the Grand Committee, be directed to burn all the Bills of Credit collected for the last Rate, which at that Time were in the General Treasury, excepting those called *Lawful Money*, and make Report unto this Assembly : In Consequence whereof, what follows was now presented.

“ WE the Subscribers, being appointed by the General Assembly, a Committee to receive of *Thomas Richardson*, Esq; General Treasurer, the Rate Money in his Hands, and to burn the same, except such Part thereof as is in *Lawful Money*, do Report, That we have received of said *Thomas Richardson*, Esq; Sixty-six Thousand One Hundred and Sixty-two Pounds Four Shillings and One Penny Old-Tenor, of which we have burnt Fifty-two Thousand Two Hundred and Seventy-one Pounds Seventeen Shillings and Five Pence ; the Remainder being One Thousand and Forty-one Pounds Fifteen Shillings and Six Pence of *Lawful Money*, and calculated as it now passes, is in Old-Tenor; Thirteen Thousand Eight Hundred and Ninety Pounds Six Shillings and Eight Pence, we have deposited in the Hands of the said *Thomas Richardson*, Esq; till further Orders from the General Assembly.”

“ We also Report, That there is still to be collected and paid into the Treasurer’s Office, Three Thousand Eight Hundred and Thirty-seven Pounds Fifteen Shillings and Eleven Pence Old-Tenor, to make up the Seventy Thousand Pounds, the Amount of the Rate ordered by this Assembly to be assessed and levied on the Inhabitants of this Colony, as appears by the List herewith presented.

*W*HEREAS it is feared that there are some Persons in this Colony dangerous and disaffected to His Majesty's Person and Government, who not only having thrown off all Duty and Allegiance themselves, are, by secret Arts and Practices, daily endeavouring and attempting to alienate the Minds and Affections of others His Majesty's Subjects, from that Duty and Allegiance which they justly owe to their lawful and rightful Sovereign; which Practices, if continued, may prove of fatal Consequence.

For preventing whereof for the future,

*B*E it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That from and after the Publication of this Act, it shall and may be lawful for his Honor the Governor, his Honor the Deputy Governor, any Assistant or Judge, either of the Superior or Inferior Courts, or any of His Majesty's Justices of the Peace, to tender the Oaths of Allegiance and Abjuration unto, and cause the same to be taken and subscribed according to the Form of the Statute in that Case made and provided, by any Person or Persons whatsoever, whom either of the Officers above-mentioned, shall suspect to be dangerous or disaffected to His Majesty's Person or Government: And if any such Person or Persons shall refuse to take and subscribe the Oaths aforesaid, the Officer that tendered the same, shall certify the Refusal thereof unto the next Court of General Sessions of the Peace, that may be holden in the County where the Offence shall happen, and if he, she, or they, shall there also refuse, such Refusal shall be recorded in the public Book to said Court belonging: And all

AND be it further Enacted by the Authority aforesaid, That if any Person or Persons, shall from or after the Publication of this Act, maliciously or directly, by writing, printing, or speaking, declare, maintain, or affirm, that his present Majesty, our Sovereign Lord GEORGE the Second, is not the lawful and rightful King of *Great-Britain*, with the Dominions and Territories thereunto belonging, or that the *pretended Prince of Wales, who now styles himself King of Great-Britain, by the Name of James the third*, hath any Right or Title to the Crown of *Great-Britain*, or that any other Person or Persons hath or have any Right or Title to the same, otherwise than according to the several Laws and Statutes made for declaring the Rights and Liberties of the Subject, and settling the Succession of the Crown; or that the Kings and Queens of *Great-Britain*, with and by the Authority of Parliament, are not able to make Laws and Statutes of sufficient Force and Validity to limit and bind the Crown of *Great-Britain*, with the Dominions thereof, and the Descent, Limitation, Inheritance, and Government of the same, all and every such Person and Persons, being of such Offence lawfully convicted, shall incur the Danger and Penalty of a *Praemunire*, according to the Statute of *Praemunire* made in the sixteenth Year of the Reign of King Richard the Second.

PROVIDED Always, and be it farther Enacted by the Authority aforesaid, That no Person shall be prosecuted by Virtue of this Act, for any Words spoken, unless the Information of such Words being spoken, be given upon Oath, within three Days after their being spoken, and the Prosecution for such Offence be within six Months after the Information ; and that no Person or Persons shall be convicted, by Virtue of this Act, ~~for~~ any such Words spoken, but by the Oaths of two credible Witnesses.

WHereas this Assembly at their last Session, appointed a Committee to prepare a Bill to prevent the farther Depreciation of the Paper Currency of this Colony, which Committee could not agree about that Matter : *This Assembly therefore do Vote and Resolve, and it is Voted and Resolved, That another Committee shall be, and hereby is appointed for the Purpose aforesaid, to wit, James Honyman and Jeremias Niles, Esqrs. Mr. Samuel Ward, and Lieut. Col. Benjamin Wickham, and that they, or the major Part of them, make Report unto this Assembly at their next Session.*

Whereas *Stephen Jenckes* exhibited unto this Assembly, an Account by him charged against the Colony, for building a *Butment* to the Bridge at *Patucket Falls*, in the Township of *Providence* : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved, That the said Account be, and the same is hereby allowed, and that Eight Hundred and Forty-eight Pounds Three Shillings. the Amount thereof, be paid the said Stephen Jenckes out of the General Treasury*

Whereas a considerable Number of the Inhabitants of *Providence*, preferred unto this Assembly, Petitions, some against, and others for, permitting Sheep to go at Large in the Lanes and Highways of said Town : Whereupon, *This Assembly do Vote and Resolve, and it is Voted and Resolved, That the said Petitions be, and they are hereby referred unto the Session of Assembly to be holden at Newport on the first Wednesday of May next ; and that in the mean Time, the Town of Providence, at their Town-meeting in April next, determin by Vote of the Freemen, whether the preventing Sheep running at Large upon the Commons, be for the Advantage of said Town in general, or not, and that the said Vote be reported unto the General Assembly at the Session above mentioned, by the Town-Clerk in Writing ; and that this Assembly at that Time, will resolve upon said Petitions.*

Whereas the greater Part of the Money by his Majesty granted unto this Colony, consists of Pieces of Gold of the Coin of *Portugal*, each of the Value of Thirty-six Shillings Sterling : *This Assembly therefore do Vote and Resolve, and it is Voted and Resolved, That the General Treasurer shall reckon and deliver out the aforesaid Pieces of Gold at Eight Spanish mill'd Dollars each.*

Whereas

Whereas his Excellency the Earl of *Loudoun*, hath sent his Honor the Governor a Letter, directing that the Regiment of Four Hundred Men lately raised by this Colony for his Majesty's Service, do not march, as the Season is so far advanced, that they cannot be of any Service this Year. And whereas, his Honor, in Conformity to the Directions of his Lordship, gave public Notice to all the Officers and Soldiers of the Regiment aforesaid, that they might repair unto their respective Homes and Occupations, and should receive Wages and Billering no longer than the eighth Day of this Instant *November*.

Which being duly considered,

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the Notice by his Honor given as aforesaid, shall, and hereby is declared to be a full and final Discharge of all and every the above-mention'd Officers and Soldiers, and that the same be, and hereby is approved of by this Assembly.

Whereas *Daniel Allen* of *Cumberland*, in the County of *Providence*, preferred a Petition, and represented unto this Assembly, That at their Session holden in *Newport* on the second Tuesday of *June* last, he presented an Account, which had been examined by *Thomas Lapham*, Esq; who reported, that the Sum of Sixty-two Pounds Old-Tenor was justly due unto the Petitioner out of the Estate of *Samuel Bartlet*, late of *Cumberland*, Esq; deceas'd, which the said *Samuel*, in his Life, had forfeited unto the Colony; whereupon a Vote was passed, that he the said *Daniel Allen* should be paid said Sum out of the General Treasury, but that by some Accident, said Account was lost or mislaid, so that he hath not yet receiv'd any Satisfaction for the Money due to him as aforesaid: And thereupon the Petitioner prayed, that the Sum aforesaid may be a second Time ordered him out of the General Treasury, so that he may at last obtain his just Due, according to the true Intent and Meaning of the Vote aforesaid. And this Assembly having duly enquired into, and considered the subject Matter of the Petition aforesaid, *Do Vote and Resolve, and it is Voted and Resolved*, That the Prayer therein contained be, and hereby is granted, and that the said *Daniel Allen* be paid the Sum of Sixty-two Pounds Old-Tenor out of the General Treasury.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *George Brown*, Esq; be, and he is hereby appointed to get a Peer of Stone or Brick (which he shall think best) built, at the Colony's Charge, under the Chimney in the Chambers of the County-House in *Providence*, for the Security thereof.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Bill brought in and now lying before them, entituled,

“ An

“ An Act to regulate the Manner of making up Judgments in
 “ the several Courts, and also to ascertain the Value of the Bills
 “ of public Credit of this Colony,” be put into Print by the Secretary, and sent to each Town Clerk in the Government, that the same may be made public in every Town, so that all the Inhabitants may be made acquainted therewith.

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That all Collectors of Rates in this Colony, who have been deficient in their Duty, shall be prosecuted by the General Treasurer unto final Judgment and Execution; and that all those who, having been by him already sued, are liable to Executions, shall be immediately served with Executions of the Judgments obtained against them respectively, and committed to Gaol, and there remain confined until such Time as they pay what is due from them respectively; and in such Payment, render and give up all the *Crown-Point Bills* so called, that they received in collecting the Rate or Tax, and have not yet paid into the General Treasury.

AND be it further Enacted by the Authority aforesaid, That all the Collectors of the last Rate or Tax, who did not pay into the General Treasury, before the twenty-eighth Day of August last, the whole of what they were to collect, shall be forthwith called before a Committee or Committees, to be by this Assembly appointed; which Committee or Committees, shall be, and hereby are empowered to cause such Collectors, and every of them, to take an Oath or Engagement, in the following Form, to wit:

YOU do solemnly swear [affirm] that to the best of your Knowledge, you have not since the twenty-eighth Day of August, One Thousand Seven Hundred and Fifty-six, passed away, or parted with, or kept back, any Bill or Bills of Credit of this Colony, called Crown-Point-Bills, which you receiv'd of any Person or Persons, for his, her, or their Rate or Rates, before or since the said twenty-eighth Day of August, One Thousand Seven Hundred and Fifty-six.

AND in Case any of the Collectors shall refuse to take said Oath or Affirmation, that then he, ~~she~~ or they so refusing shall declare upon Oath or Engagement, what Sum or Sums of said Crown-Point Bills he or they received as aforesaid: And upon Refusal to do the same, that the said Committee or Committees, so to be appointed, shall be, and hereby are authorized and fully empowered to commit him or them to close Prison there to remain, until he or they shall make or give such Oath or Engagement: And if the said Collectors, or either of them, have parted with any of the said Crown-Point Bills, collected as aforesaid, unto any other Person or Persons, besides the General Treasurer, that they, and every the said Collectors, shall procure for the Colony
 so

so much in Value of said *Crown-Point Bills* as he or they parted with as aforesaid, and for want of the same, Silver or Gold to the Value thereof, at the Rate of Four Pounds Old-Tenor for a Dollar, or Gold at its proportionate Value ; and shall also render an Account upon Oath or Engagement, who the Person or Persons is or are, unto whom such Collector or Collectors passed the same.

A N D be it further Enacted by the Authority aforesaid, That no Person or Persons, who hath or have received any of the said *Crown-Point Bills* from any Collector or Collectors of Rates or Taxes, shall be permitted to receive any Thing of the General Treasurer for the *Crown-Point Bill* or *Bills* so clandestinely obtained, save *Old-Tenor Bills* equivalent thereto, at the nominal Value.

A N D be it further Enacted by the Authority aforesaid, That such Committee or Committees as shall be appointed to examine the Collectors of Rates or Taxes, pursuant to this Act, shall forthwith give in a List or Lists of the Names of all such Persons as have receiv'd any of the said *Crown-Point-Bills* from such Collector or Collectors : And that the General Treasurer do not give out any Silver or Gold for such Bill or Bills, as may be pretended to be exchanged, by any Person or Persons named in such List or Lists delivered as aforesaid, or to any other Person or Persons whatsoever, until he, she, or they have made Oath or Affirmation, that the Bill or Bills offer'd to be exchanged, hath or have not been receiv'd from, or been in the Hands of any of the Persons named in such List or Lists as aforesaid, since the fifteenth Day of this Instant *November*, nor to his, her, or their Knowledge, since the twenty-eighth Day of *August* last.

A N D for effectually carrying this Act into Execution, this Assembly do choose and appoint the Gentlemen whose Names immediately follow, a Committee for the Purposes herein before mentioned, viz.

Lieut. Col. Benjamin Wickham, Capt. William Mumford, and Mr. ~~Samuel~~ ^{William} Bailey, for the County of *Newport*.

Capt. David Whipple, Lieut. Col. John Andrews, and Mr. Christopher Waterman, for the County of *Providence*.

Latham Clarke, James Helme, and Samuel Albro, Esqrs. for the County of *Kings County*.

Nathaniel Fales, Thomas Greene, and Joseph Russel, Esqrs. for the County of *Bristol*.

Oshniel Gorton, Esq; Mr. John Spencer, and Col. Benoni Waterman, for the County of *Kent*.

A N D be it further Enacted by the Authority aforesaid, That the major Part of each of the said Committee, shall be, and hereby

is constituted a *Quorum*, with Power to act as fully and effectually, to all Intents and Purposes, as if the whole of such Committee were personally present and joined therein.

WE the Subscribers beg Leave to dissent from the Vote relating the Calling the Collectors of Rates in the Colony to account, with Regard to the last Seventy Thousand Pounds Tax, for the following Reasons.

First : As the Vote is to call a Part of the said Collectors to account for their Conduct, and not all, which we apprehend ought to be general.

Second We apprehend the Collectors were sufficiently warned by the Vote passed at *February* Session, when the Tax was altered, in order to redeem the *Crown-Point Bills*.

Third. We apprehend the putting off said Time to the fourth Monday of *August*, will in no Shape answer the Design intended by the above Votes.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That in Case the Silver and Gold by His Majesty granted unto
this

this Colony, which by an Act of the General Assembly is to be appropriated towards exchanging the *Crown-Point Bills*, so called, shall not be sufficient to answer that Purpose, all Persons who shall bring any of said Bills unto the General Treasurer, after the Silver and Gold is exhausted, shall receive Notes of him for Silver, at Four Pounds *per* Dollar, or Gold in Proportion, to be paid on or before the twenty-second Day of *December* next, with Lawful Interest from the Day of the Date of said Notes.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That his Honor the Governor be, and hereby is requested to procure, upon the best Terms in his Power, a Sufficiency of Silver and Gold, to refund what he borrowed for the Use of the Colony, and draw Money out of the General Treasury to pay for the same.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That Mr. *Christopher Hall* be, and he hereby is chosen a Committee-man for the Town of *West-Greenwich*, in the Room of Mr. *John Greene*, deceased.

AND whereas Mr. *Henry Ward* was appointed one of the Directors of said Lottery, in the Room and Stead of *Benjamin Wickham*, Esq; who was appointed Lieutenant Colonel of the Regiment lately raised by this Colony, as a Reinforcement of the Provincial Army gone in the Expedition against *Crown-Point*,
but

but did not go upon that Service, said Regiment having been disbanded : *Be it therefore Enacted*, That the said *Benjamin Wickham* be, and he hereby is reinstated and continued a Director of the Lottery aforesaid. AND WHEREAS Maj. *Thomas Greene* was also appointed another of the Directors of the Lottery aforesaid, but has not undertaken that Office : *Be it further Enacted by the Authority aforesaid*, That the said *Henry Ward* be, and he is hereby appointed a Director of said Lottery, in the Room of the aforesaid *Thomas Greene*, he the said *Henry Ward* giving Bond unto the General Treasury in the like Sum with the other Directors, for the faithful Discharge of the Trust to him committed.

I T H E Subscriber, dissent from the above Vote, for the following Reasons, *viz.*

1. Because I think the Burning of that Money was no Mistake, and ought to have been done long ago.

2. Because

2. Because I think the appropriating Money paid into the Grand Committee's Office, to the Use of the Colony, is a Violation of the Act of Parliament, and a Breach of the Faith of this Government.

THIS Assembly do Vote and Resolve, and it is Voted and Resolved, That Maj. *Thomas Greene* and *Nathaniel Fales, Esq;* be, and are hereby appointed a Committee, to examin two Bonds laid before this Assembly, given by *Joseph Munroe*, who lately forfeited all his Estate, real and personal, unto the Colony ; one of which Bonds was made to *Edward Luther*, and the other to *Joseph Kelly* : That the said Committee enquire what is justly due upon them, as also into all other the Circumstances that respect the said *Munroe's* Estate, and make Report unto the General Assembly as soon as conveniently may be.

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the Colony's Secretary, for the Time being, shall be allowed and paid out of the General Treasury,

fury, the Sum of *Five Shillings Lawful Money*, for every Day's Attendance upon the General Assembly ; and that the present Secretary be allowed the like daily Wages for his Attendance on the General Assembly, as well at their Session held at *Providence* the last Wednesday of *October*, as at the other Sessions holden since that Time.

Wickham*, and *Mr. Samuel Ward* be, and they are hereby appointed a Committee, to revise the *Tables of Fees allowed unto the several Officers* in this Colony ; that they make such Alterations therein, as they shall think reasonable, and present their Report unto the General Assembly as soon as conveniently may be.

Whereas *Edward Scott*, Esq; *Messrs. Joseph Jacob, Daniel Ayrault*, and others, preferred a Petition, and represented unto this Assembly, That they have lent the Colony several Sums of Money, when the Government hath been under great Necessity thereof : That they have taken the General Treasurer's Bonds for the same, most of which are now due, but they cannot obtain either Principal or Interest : That they look upon *this* as a very great Hardship, especially as Bills of Credit have greatly depreciated since they parted with their Money, and so forth : And upon the whole, prayed, That, as it is not in the Treasurer's Power to pay them at this Juncture, the Sums, due to them respectively, may be settled, and the Money stated at the real Value it bore when they supplied the Colony : That the Treasurer may be directed to renew his Bonds accordingly ; and that upon a Compliance with those Terms, they will be content with Interest at and alter the Rate of *Six per Cent. per Annum*.

On Consideration whereof,

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the General Treasurer be, and he hereby is directed to pay the Petitioners their respective Debts, as soon as Monies come into his Hands.

Whereas *Mr. William Read* exhibited unto this Assembly, an Account charged against the Colony, for Work done by himself and Servants at *Fort George* ; for sundry Disbursements, in furnishing Materials to carry on said Work ; for his Commissions, and so forth. And this Assembly having taken said Account into Consideration, and duly examined it, *Do Vote and Resolve, and it is Voted and Resolved,* That Two Thousand and Thirty-two Pounds Two Shillings and Eight Pence, of the Ballance, as stated by the said *William Read*, be allowed and paid him out of the General Treasury, the Commissions by him charged, having been deducted at the Time said Allowance was made.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Magistrates and Deputies shall have an Allowance made them for their extraordinary Services in attending on the General Assembly since last *October*, and unto the End of this present Session, that is to say ; Each Magistrate shall be allowed Six Shillings Lawful Money *per Day*, out of the General Treasury, and each Deputy the Sum of Five Shillings of the like Money *per Day*, to be paid him by the Town that he represents ; and that the Secretary, and Clerk of the Lower House, make out Tickets accordingly.

“ WE the Subscribers, dissent from the annexed Vote, for the following Reasons.

1. Because the Government is greatly in Debt.
2. For there is a great Dispute in many Towns for their Deputies, and that *there are enough, willing to go without Pay.*
3. That there was but one more than a Quorum of the House, when said Vote was passed.

So that, on the Whole, we are of Opinion, that the same ought not to pass as a general Act.

*Elisba Brown,
Thomas Owen.”*

Whereas an Account charged against *David Wilkinjon*, Esq; Sheriff of the County of *Providence*, by *Jacob Whitman*, was exhibited unto this Assembly, for mending a large Lock in His Majesty's Gaol in said County ; for Plates, Brads, and so forth : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved,* That the said Account be, and the same is hereby allowed, and that Fourteen Pounds, the Amount thereof, be paid the said *Jacob Whitman* out of the General Treasury.

*B E it therefore Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That from and after the Publication of this Act, if any Person or Persons do, or shall make fast any Canoe or Boat, unto the Pillar or Butments of the Bridge aforesaid, or throw any Stones from off the same, or either of them, he, she, or they, so offending, shall forfeit and pay as a Fine, the Sum of Ten Pounds Old-Tenor ; to be recovered before any Justice of the Peace, to whom Complaint shall be made, in either of the Towns of *Warwick* or *Cranston* : One Half to and*

Whereas *Obadiash Brown*, Esq; and Others, Inhabitants of *Providence*, represented unto this Assembly, That a *Drawbridge* made in the large Bridge called *Weybosset-Bridge*, in said Town, will be very serviceable ; so that all Vessels that draw not too much Water for the Channel above said Bridge, may pass and repass up and down, to lade and unlade Lumber, Goods, and Merchandize, and thereby be of Advantage to all Merchants, Traders, Boatmen, &c. That in order to have one, they have made several Subscriptions, and requested this Assembly to grant them Liberty to effect it, and to draw out of the Fund appropriated to the Use of the said Bridge, so much Money as will be sufficient for the Building of one strong Stone Pillar for that Purpose. Unto which Report, the Gentlemen subjoined the following Account.

Whereas there are sixty Hogsheds of Lime on Board a Sloop belonging to *Samuel Chace* of *Providence*, Esq; designed for *Halifax* in *Nov'a-Scotia*, to be used upon His Majesty's Fortifications there, but by Reason of the late Embargo, the said Sloop cannot proceed her Voyage; yet forasmuch as Mr. *Lawrence*, Governor of that Province, hath by Letter, requested his Honor our Governor to permit the said Sloop to sail for *Boston* with the said sixty Hogsheds of Lime, and engaged that Care shall be taken to send them from that Port to *Halifax*, *This Assembly do Vote and Resolve*, and it is Voted and Resolved, That his Honor the Governor be, and he hereby is desired to permit said Sloop to sail according to the Request above-mentioned.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That Mr. *John Chaloner* be employed to furnish a Chest of Medicines for the Use of the Forces now raising in this Colony for the ensuing Campaign, provided he will procure as good and as cheap as any other Person would: That said Chest be inspected by the Doctor that shall be appointed for the Troops of this Colony, and that the Medicines do not exceed the Price or Cost of Eight Hundred Pounds Old-Tenor.

An ACT for dividing the Town of *Westerly*, and thereof making two distinct Townships, one to retain the Name of *Westerly*, and the other to be distinguished and known by the Name of *Hopkinton*.

WHEREAS a great Number of the Inhabitants of the Northern Part of the Town of *Westerly*, preferred a Petition, and remonstrated unto this Assembly, that the said Town being upwards of twenty Miles in length, they are much aggrieved, by Reason many of them are obliged to travel some fifteen or sixteen Miles to get an Instrument recorded, others eighteen or twenty Miles, when Business calls them before the Town Council, or to attend at a Court of Justices, the greater Part of the public Business being at this Day transacted and done in the Southern Parts of said Town; and thereupon prayed the same may be divided, Nature having cut it into two Parts by the large River, called and known by the Name of *Paucatuck*; and that they may be intitled to equal Privileges with the other Towns in this Colony.

On

On Consideration whereof,

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the said Town of Westerly be, and the same is hereby made and divided into two distinct and separate Towns, and that such Part thereof as lieth to the Southward of the aforesaid Paucatuck River, shall still be and remain a Town, holding its antient Name of Westerly ; and all the Lands lying to the Northward of said River, shall also be, and hereby is erected into and made a Town, to be distinguished, called, and known by the Name of Hopkinton ; and the Inhabitants thereof shall have, hold, and enjoy, all and singular the Liberties, Privileges, and Immunities, that the other Towns in this Colony are intitled to, Newshoreham and Jamestown excepted.

AND be it further Enacted by the Authority aforesaid, That the Money due unto the Town of Westerly aforesaid, for the Cedar Swamp, shall be legally secured, both Principal and Interest, unto those that live on the South Side of the aforesaid Paucatuck River, and they in Return, shall be wholly and solely at the Expence of defending said Swamp, and the Town of Hopkinton shall not be liable or subject to any Costs or Charges on that Account : That all the Town-Debts (except such as may have lately accrued on Account of the Swamp) shall be equally paid by the Towns of Westerly and Hopkinton : And all such Monies as were due to what, before this Act, was the Town of Westerly, shall be applied towards paying off said Town's Debts, except such as are due on Account of the Swamp.

AND be it farther Enacted by the Authority aforesaid, That all and every of the Justices of the Peace, that were chosen and appointed such for the Town of Westerly, and who live in that Part thereof that is now made Hopkinton, be, and they hereby are continued in their Offices, with as full Power and ample Authority, in every Respect, as they had in Consequence of their being chosen into and commissioned for said Office ; and that the Eldest of them issue his Warrant to call the Freemen of the said Town of Hopkinton, to meet together at some convenient Place within the same, in order to choose and appoint Officers necessary for managing and conducting the prudential Affairs of said Town.

Whereas Ambrose Page of Providence, in the County of Providence, preferred a Petition, and represented unto this Assembly, that his Father William Page of said Providence, made a Free gift to the Colony of the Lot of Land on which the Court-House of the County aforesaid stands ; which Lot, together with another whereon the old Gaol in said Providence was built, and other Lands of the Petitioner in the same Town, were subjected to an Entail : That he hath been at great Cost and Expence to dock the same, and thereupon prayed, that as the said Docking so

carried on, was not solely for his own Benefit, but that of the Colony also, some Part of the Cost and Expence may be reimbursed and allowed him out of the General Treasury.

On Consideration whereof,

This Assembly do Vote and Resolve, and it is Voted and Resolved, That some Allowance shall be made the Petitioner towards reimbursing him a Part of the Cost and Expence he hath been at in the Matter aforesaid : And *Nicholas Cooke, Esq; George Brown, Esq;* and *Mr. Nicholas Brown* are hereby appointed a Committee to consider what that Allowance ought to be, and make Report thereof unto the General Assembly as soon as conveniently may be.

Whereas *Caleb Greene, Esq;* Clerk of the Town of *Coventry*, in the County of *Kent*, represented unto this Assembly, that *Benjamin Nichols*, late of said *Coventry*, preferred a Petition unto the General Assembly, at a Session holden in *Newport* on the third Monday of *August*, One Thousand Seven Hundred and Forty-nine, setting forth, that he had given a Mortgage Deed, with one Set of Bonds to the Grand Committee, and another Set unto the General Treasurer, for the Principal and Interest of a Sum of Money by him taken of the Colony upon Loan ; which Mortgage and Bonds had been altered after his Execution of them : Whereupon the General Assembly appointed a Committee to inspect the said Mortgage and Bonds, and make Report to the General Assembly at their next Session ; and by the same Act, prohibited the putting in Suit the Mortgage and Bonds aforesaid, till they should give farther Orders : That the said *Benjamin Nichols* hath since that Time disposed of the Land mortgaged to the Colony as aforesaid, to *Richard Tree* of *Coventry* aforesaid : That the said Committee having made no Report in the Affair, there hath been no Provision made for the said *Benjamin Nichols's* Relief (if any he ought to have) : That as there is a Law of the Colony, which forbids the Recording any Deed or Conveyance of Lands mortgaged to the Colony, before the Interest Bonds are exchanged in the General Treasurer's Office, his the said *Richard Tree's* Deed remains unrecorded, to his great Detriment, as it may happen, &c. And upon the whole prayed, that some Method may be pointed out for the Remedying of the Grievance aforesaid.

On Consideration whereof,

This Assembly do Vote and Resolve, and it is Voted and Resolved, That in Case the Money now due to the Colony, on Account of the real Sum which the aforesaid *Benjamin Nichols* receiv'd of the Town's Committee, be paid, and good Security given for the Remainder, then the Deed aforesaid may be recorded, but not otherwise.

Whereas *Benjamin Sheffield* of *Jamestown*, in the County of *Newport*, preferred a Petition unto the General Assembly, at their Session

Session holden in *Newport* on Tuesday the twenty-second of *June* last, and represented, that notwithstanding the Prices of Ferriage in this Colony, are stated by Law, yet the Owners of the Ferries at *Newport*, *Jamestown*, and *Narragansett*, oblige all Persons that pass over said Ferries, to pay double of the lawful Price, which is greatly injurious to the Public: That he is one of those that have been thereby aggrieved; and having a Place convenient for setting up a Ferry on the West Side of *Jamestown* aforesaid, prayed to have Liberty granted him to do so.

And now the subject Matter of the Petition aforesaid, being duly considered,

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the said Benjamin Shefffield shall have, and hereby is granted him, Liberty to set up a Ferry on the West Side of *Jamestown*, for the Carrying and Transporting of all Persons that shall desire it, together with their Goods, Effects, Merchandizes, Cattle, Horses, and all other Things usually carried in a Ferry-Boat, provided he will erect a Wharff or Peer suitable for the Business, and take no greater Prices for Ferriage or Transportation, than was by Law allowed, at the Time when he preferred his aforesaid Petition.

BE it Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That where Fines have been, or shall be paid by Persons that were draughted or impressed to go in the last Expedition against *Crown-Point*, all and every such Fines shall be paid into the Treasury of the Town in which such Fine or Fines have been, or shall be paid, excepting such Fines, or the Part of them that have or hath been appropriated to the Hiring of another or others to go in the Stead of him or them that paid, or shall pay such Fine or Fines.

Whereas *James Tew*, jun. preferred a Petition, and represented, that at the General Assembly holden at *South-Kingstown* in *February* last, he was appointed second Lieutenant of Capt. *George Garduer's* Company: That being afterwards commissioned, he went in the Expedition against *Crown-Point*: That he discharged his Duty so much to the Satisfaction of the General and the other Officers, that on the first Day of *September*, when Capt. *Amos Hammond* was broke and dismissed the Army, he the said *James Tew* was appointed first Lieutenant of the Company first above-mentioned; and as his Conduct in that Office was irreproachable, he prayed to be allowed the Pay of a first Lieutenant, for and during the Time he sustained said Office. And this Assembly having duly enquired into the subject Matter of the Petition aforesaid, *Do Vote and Resolve*, and it is Voted and Resolved, That the Prayer of the said *James Tew* in his aforesaid Petition made, be, and the same is hereby granted, and the said *James Tew*, jun. shall accordingly have,

have, and be allowed the Pay of a first Lieutenant, from the Time he was appointed to that Office until his Discharge therefrom.

Benjamin Lawton, Esq; was chosen a Justice of the Peace for *Exeter*, in the County of *Kings County*, in the Room of *Joseph Rogers, Esq;* who hath removed from said *Exeter* to *South-Kingstown*.

Whereas *Obadiah Brown, Esq;* exhibited unto this Assembly, an Account charged against the Colony, for a large Book by him furnished for the Records of the Inferior Court of Common Pleas, and General Sessions of the Peace, in the County of *Providence*: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That said Account be, and the same is hereby allowed, and that Forty-five Pounds, the Amount thereof, be paid the said *Obadiah Brown* out of the General Treasury.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Pay of the Doctor's Mate for the ensuing Campaign, shall be Ninety Pounds Old-Tenor *per Month*.

W H E R E A S the aforesaid Act is expressed in such Terms, that it hath been doubted whether the Party is to estimate the Value of his or her Rateable Estate, or the Persons appointed to take the Account thereof; and also, whether Money due on Book-account, is to be deemed and estimated as Rateable Estate.

B E it therefore Enacted by this General Assembly, and by the Authority thereof, It is Enacted, That the Persons appointed, or to be appointed, for taking an Account of the Value of all Rateable Estates, were, according to the true Intent and Meaning of the aforesaid Act, and hereby are declared to be, the Persons to settle and determin the Value in *Old-Tenor*, of all and every the Articles by said Act declared to be Rateable Estate, *excepting* Bills of Credit, and Securities for the same, trading Stock, and Book-Debts; of which the Persons themselves shall be allowed to estimate the Value, and thereof render an Account, after making a Deduction out of their personal Estates, of what Debts they justly owe, and shall be obliged to take an Oath, or make a solemn Affirmation, in the following Terms, to wit:

I A. B.

I A. B. do solemnly swear [affirm], that according to the best of my Knowledge, the List by me now given in, contains the whole of my Rateable Estate, after a Deduction of my just Debts; as also of the Number of Rateable Polls in my Family: So help me G O D. [And this I affirm to be the Truth, and nothing but the Truth, upon the Peril of the Penalty of Perjury.]

A N D be it farther Enacted by the Authority aforesaid, That the Persons appointed to take the Account, be impowered to administer the aforesaid Oath or Affirmation; and they themselves are hereby required to make Oath, or give their Engagement, to the Truth of their Returns, before any Justice of the Peace in the Towns where they respectively dwell.

A N A C T for impressing such and so many Men as shall be wanted, after the Returns made to the several Field Officers, to compleat and make up the Four Hundred and Fifty Men, by the General Assembly at their last Session order'd to be raised in this Colony for the ensuing Campaign.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Committee of War be, and they hereby are continued unto the next Session of Assembly, with the same Power and Authority that they have hitherto had : That they be allowed *One and an Half per Cent.* for the Business they have done since the last Session of Assembly, and shall have for the future, such an Allowance as the General Assembly may think proper.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That his Honor the Governor permit a Vessel to sail from *Providence* to *Boston* with a Load of Lime, for His Majesty's Use, conformable to the Request of Messrs. *Apthorp* and Son, expressed in their Letter to *Daniel Jenckes*, Esq; and that no more Men go in said Vessel, than shall be sufficient to navigate her.

Whereas this Assembly stated the Wages of the Chief Officer of the Four Hundred and Fifty Men now raising in this Colony for the ensuing Campaign against His Majesty's Enemies in *North-America*, at Two Hundred and Ten Pounds Old-Tenor *per Month* ; which Sum is conceived to be Insufficient : *Be it therefore Enacted by this General Assembly, and by the Authority thereof, It is Enacted,* That the Wages of the said Chief Officer be, and they hereby are augmented to Eighteen Pounds Lawful Money of this Colony *per Month* ; and that when *Samuel Angel*, Esq; who sustains the said Office, returns from the Campaign, he is to render the General Assembly an Account of his Table-Expences, and they are to allow him what they may think proper.

HEREAS there are a Number of *French* Prisoners confined to His Majesty's Gaols within this Colony, and supported at the Expence of the Public: *This Assembly therefore do Vote and Resolve, and it is Voted and Resolved*, That his Honor the Governor, or his Honor the Deputy Governor, be, and they, and each of them, are, and is hereby impowered to permit the said *French* Prisoners to go off unto *Europe* or the *West-Indies*, that is to say, *one or two* in a Vessel as Mariners, and at such Wages as they shall agree for.

An ACT further to prevent the Inhabitants of this Colony from carrying on any Trade or Commerce with the French.

W H E R E A S the Laws that have been heretofore made for preventing the Inhabitants of this Colony from carrying on a Trade with the French, now at open War with our most gracious Sovereign, have been found so far from being sufficient, that several have trafficked and carried on Commerce with the Subjects of France, under a Pretext of going to a Spanish Port called Monti Christo, upon the Island of Hispaniola, which is but a few Leagues distant from the French Settlements upon that Island.

For preventing whereof in Time to come,

B E it Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That from and after the Publication of this Act, if any Person or Persons shall proceed out of any Port or Place in this Colony, in a Ship or other Vessel, unto the Island of Hispaniola, or any Port, Harbour, Creek, or Haven therein, either as Master, Merchant, or Factor, he and they shall forfeit and pay as a Fine, the Sum of Ten Thousand Pounds; to be recovered by Bill, Plaint, or Information, in any Court of Record within the Colony; one Half to and for the Colony's Use, and the other Half unto him or them that shall inform and sue for the same; and the Offender shall also suffer one Year's Imprisonment in His Majesty's Gaol, without Bail or Mainprize: And furthermore, the Ship or Vessel in which such Person or Persons go or return from the Island of Hispaniola, shall be forfeited, together with her Cargo; one Half to and for the Colony's Use, and the other Half unto him or them who shall inform and sue for the same. *And this Act shall remain in Force during the continuance of the present War and no longer.*

And

And this Assembly having taken the said Report into Consideration, *Do Vote and Resolve, and it is Voted and Resolved*, That the same be, and hereby is accepted.

The two Papers next following, are Copies of the Protests entered against the Act for proportioning the Rate unto the several Towns.

“ **WE** the Subscribers, do desire to dissent from the Proportion of the Tax in the County of *Newport*, for the Reasons following

1. Because that last Year, when the Tax was proportioned, there was about Four Hundred Pounds taken from *New-Shureham*, and Three Hundred and Seventy Pounds of said Sum, added to the Town of *Little-Compton*, which is a great Hardship, as we had a large Proportion before.

2. Whereas

2. Whereas it is the Opinion of many Men, that *New-Shoreham* was very low last Year ; we think that there ought to be at least Three Hundred Pounds taken from our Town, and proportioned to some of the other Towns.

*Thomas Church,
William Wilbor."*

“ I THE Subscriber, do hereby dissent from, and protest against the Vote hereto annexed, passing as an Act of this General Assembly.

For that the Town of *Cranston*, whereof I am a Representative in this present Assembly, is over-rated in the present Assessment, in Proportion to the Towns of *Providence, Glocester, &c.* as to me appears, both by my own private Knowledge of the Circumstances of said Towns, and by the Lists of Rateable Estates, given in upon Oath by the Gentlemen appointed by Act of Assembly.

Newport, June 18. 1757.

THIS Assembly do Vote and Resolve, and it is Voted and Resolved,
 That *Thomas Arnold* and *Immanuel Northup*, Esqrs. *Mr. Benjamin Gardner*, and *Maj Joshua Clarke*, be, and they hereby are appointed a Committee, to enquire what Quantities of Iron, and out of what Materials have been made in this Colony, from the twenty-fifth Day of *December*, One Thousand Seven Hundred and Forty-nine, until the fifth Day of *January*, One Thousand Seven Hundred and Fifty-six, and make Report unto the General Assembly, at the Session to be holden at *South-Kingson*, within and for the Colony aforesaid, on the last Wednesday of *October* next, to the End that an Account thereof may be transmitted unto

unto the Right Honorable and Honorable the Lords of Trade and Plantations, in *Great-Britain*, agreeable to a Demand by their Lordships made, in a Letter dated the ninth Day of *June* last.

Whereas the General Assembly, at a Session begun and holden by Adjournment at *Newport*, within and for the Colony aforesaid, on Monday the eighth of *September*, One Thousand Seven Hundred and Fifty-five, made and passed "An Act for raising "Two Hundred Men to reinforce the *English* Army gone against "Crown-Point," and among other Things therein contained, the Hon. *Stephen Hopkins*, Esq; then "Governor of the Colony, was desired to correspond with the Governors of the *Massachusetts-Bay* and *Connecticut*, and agree with them upon some Method of procuring constant Intelligence from the Army gone against *Crown-Point*." In Consequence of which recited Paragraph of the said Act, a Debt of Twenty-two Pounds Lawful Money of the said Province, is become due from this Colony, for paying a Courier, as appears by a Letter to the said Mr. *Hopkins*, dated the second Day of *April* last, from *John Osborne*, Esq; one of the Committee of War in the Province: *This Assembly therefore do Vote and Resolve, and it is Voted and Resolved* That the Sum aforesaid, be paid the said *John Osborne*, Esq; by the Committee of War in this Colony.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *Jabez Bowen* and *Daniel Jenckes*, Esqrs. Capt. *Daniel Ayrault*, jun. and Mr. *Joseph Lippitt* be, and they hereby are appointed a Committee, to examin into the State of the General Treasury, in order to discover what the Colony is in Debt; what Charges have arisen on the Expeditions undertaken this Year; what Bills of Public Credit, emitted since the Year One Thousand Seven Hundred and Fifty-four, to defray the Charges of the late Expeditions, are to be sunk, and when, and make Report unto this Assembly as soon as may be.

Whereas *Thomas Richardson*, Esq; the Colony's General Treasurer, preferred a Petition, and represented unto this Assembly, That by close Application, and the Assistance of five or six expert Hands, he hath delivered out the greatest Part of the Gold and Silver lodged in his Office, for exchanging of *Crown-Point* Bills; that in rend'ring this Service to the Public, he hath been in Danger of losing his Life, his House having been broke open, and he robbed to the Value of a considerable Sum in Plate, Linen, and other Goods, which he imagins was occasioned by its being publicly known, that he had the Custody of the Money given the Government by the King; that he was at great Care, Trouble, and Risque, in counting out the Gold and Silver, in receiving the Bills, and rend'ring a just Account of the whole; that the great Trouble in his House, which began soon after the Money was brought from *New-York*, by People's coming constantly to enquire when the Exchanging would begin, has continued ever since, and

is not at this Time quite over ; and that he was obliged, for carrying on the Business, to keep two Fires, and use many Candles, more than was customary in his House : Wherefore, he the said *Thomas Richardson*, prayed to be allowed a reasonable Reward for these his extraordinary Services.

On Consideration whereof,

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the aforesaid *Thomas Richardson* shall and may pay himself, out of the General Treasury, the Sum of One Thousand Pounds Old-Tenor, as a Gratuity for his aforesaid Services.

Whereas there was a Committee appointed to receive and burn the *Crown-Point* Bills ; and the Gentlemen having performed that Service, presented this Assembly with what followeth.

“ *Newport, May 27. 1757.*

“ WE a Committee, appointed to receive and burn the *Crown-Point* Money paid into the General Treasury, do farther Report, That we have receiv'd of *Thomas Richardson*, Esq; General Treasurer, Eleven Thousand and Fifty-three Pounds and One Shilling, and have burnt the same.

£. 11053 1 0

Thomas Cranston, } Committee
Peter Bours, } for that
James Sheffield, } Purpose.

Unto which Report, the Committee injoined the following Account.

“ *Colony,* Dr...

TO our Time and Trouble in receiving and burning the above Money, £. 9 0 0

Thomas Cranston,
Peter Bours,
James Sheffield.”

And this Assembly having taken the Premises into Consideration, *Do Vote and Resolve, and it is Voted and Resolved,* That the foregoing Report be, and the same is hereby accepted ; that the above Account be, and is hereby allowed, and that Nine Pounds, the Amount thereof, be paid the said *Thomas Cranston*, *Peter Bours*, and *James Sheffield*, out of the General Treasury.

Whereas his Excellency the Earl of *Loudoun*, Commander in Chief of all His Majesty's Forces in *North-America*, hath represented unto this Government, the Necessity of his being furnished with a Number of Rangers, to continue with him for and during the whole of the approaching Winter.

BE it therefore Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That Seventy Men, including Officers, of the Troops in the Pay of this Colony, and now in the Camp at or near *Hudsen's River*, be retained there for the

the Purpose aforesaid, for a Term of Time not exceeding one Year from the Day of their Inlistment, and formed into a Company : That the Soldiers shall be drawn out by *Samuel Angel, Esq;* Chief Officer, and the five Captains of the said Troops, or the major Part of them ; but the said *Samuel Angel* alone shall have the Appointment of Officers to command the said Company ; for which Officers, his Honor the Governor is hereby requested to send Mr. *Angel* blank Commissions.

AND be it further Enacted by the Authority aforesaid, That all the Officers and Soldiers of the said Company, shall be under the immediate Command of the Earl of Loudoun.

AND be it further Enacted by the Authority aforesaid, That the Committee of War provide and send up a Sufficiency of Cloathing, necessary in the Winter Season, for the Troops, at the prime Cost, exclusive of one good Blanket, which shall be purchased immediately, sent up, and given to each Soldier gratis.

AND be it further Enacted by the Authority aforesaid, That the Officers and Soldiers to be retained as aforesaid, shall be allowed, at the Expiration of the Time limited by this Act, such additional Wages, as shall be by the General Assembly thought a Reward adequate to the Service they may be employed in, during the Time of their being retained as aforesaid, and in Proportion to the Hardships they shall undergo.

Whereas sundry Persons lately confined in His Majesty's Goals in this Colony, were taken out of the Custody of the several Sheriffs, to go in the last Expedition, but have not, since the same was over, returned unto the Places were they respectively stood committed :

B*E it therefore Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That the respective Sheriffs immediately apprehend all Persons that were taken out of their Custody as is aforesaid, and that they remain in the same State and Condition, in every Respect, as they were in before the Time of their being taken out of Custody as aforesaid : This being, and hereby is declared to be, the true Intent and Meaning of the Act made and passed for raising Soldiers to go in the said Expedition.*

This Assembly do Vote and Resolve, and it is Voted and Resolved, That Nothing be allowed the Soldiers that were raised for the last Expedition, beside their Wages ; and that every Soldier that shall retain or keep back his Blanket, Knap sack, or any other Thing, which was provided for him by the Government, in the said Expedition, shall account unto the Government for the same, his Provisions only excepted.

The

The Gentlemen who were appointed to audit the Accounts of such of the Committee of War as live in *Newport*, presented this Assembly with the following Account and Receipt.

THIS Assembly do Vote and Resolve, and it is Voted and Resolved, That the Deputies of the several Towns in this Colony, make strict Enquiry after all the Arms, Accoutrements, and Ammunition, that the Soldiers raised for the last Expedition, were furnished with, and see the same returned unto the Committee of War.

Whereas *David Wilkinson, Esq;* whilst Sheriff of the County of *Providence,* was directed, and fully empowered by an Act of the General Assembly, made and passed at the Session begun and holden in *South-Kingstown,* within and for the Colony aforesaid, on the last Wednesday of *October,* One Thousand Seven Hundred and Fifty-five, to dispose of, and sell unto the best Advantage of the Colony, the whole Estate which *Samuel Bartlet, Esq;* lately deceased, had in his Life, and before that Time forfeited to the Government, the Personal Estate as soon as conveniently might be, and the Real before or upon the last Day of *March* thence next ensuing. And whereas, it hath been made to appear, that some Part of the

BE it therefore Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That Allen Brown, Esq; the present Sheriff of the County of *Providence*, be, and he hereby is directed and fully impowered to dispose of, and sell for the Colony's Use, all the Real Estate of the said *Samuel Bartlet*, that was forfeited as aforesaid, and yet remains unfold ; and that a Deed or Deeds by the said *Allen Brown* given thereof, shall vest in the Purchaser or Purchasers, as full, large, and ample Estate of Inheritance, as he the said *Samuel Bartlet* had in his Power to have made, given, or granted, at any Time before he had forfeited the same.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the General Treasurer be, and he hereby is directed to hire Gold and Silver for one Year, at the Rate of *Six per Cent.* and pay off, as they become due, all the Notes that he hath given in Exchange for *Crown-Point Bills*, that is to say, unto such Persons as shall demand the same : And all those who are willing to let their Notes lie for one Year, shall be allowed Interest at and after the Rate of *Six per Cent.* And that the General Treasurer pay all *Crown-Point Bills* which shall be hereafter brought unto him, with the Gold or Silver that he shall hire in Pursuance of this Act.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *Joseph Edmunds* and *Jeremiah Whipple*, Esqrs. be, and they hereby are appointed a Committee, to repair, at the Colony's Charge, the Bridge that was built by a Lottery, between the Towns of *Smithfield* and *Cumberland*.

BE it Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That all French Prisoners now in this Colony, and all such as may be hereafter brought into the same, shall be sent off in Flags of Truce.

AND be it further Enacted by the Authority aforesaid, That the Gentlemen whose Names immediately follow, be, and they hereby are chosen and appointed Committees, for examining every Flag of Truce that shall be fitted out at the Ports hereafter mentioned, that is to say ; *Simon Pease, Esq;* and *Mr. William Read*, for *Newport* ; *Daniel Fenckes, Esq;* and *Mr. Elisha Brown*, for *Providence* ; and *Joseph Russel* and *Nathaniel Munro, Esqrs.* for *Bristol* ; and also to see that no Goods be put on Board contrary to Law.

AND be it further Enacted by the Authority aforesaid, That all Masters and Owners of all and every Flag and Flags of Truce, that

that may proceed out of this Colony, shall give Bond in the Secretary's Office, unto the King, in the penal Sum of One Thousand Pounds, Sterling Money of *Great-Britain*, that no Goods, Wares, or Merchandize, of any Sort, have been, or shall be laden, put, or taken on Board any of his or their Flag or Flags of Truce, contrary to Law, before, at, or after such Inspection and Examination.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the General Treasurer be, and he hereby is directed to prosecute all those who were appointed to take the Value of the Rateable Estates in the Towns of *Coventry* and *Bristol*, for not making Returns unto the General Assembly according to Law; and also to prosecute the Persons appointed to take the Value of the Rateable Estates in the Town of *Cranston*, for not making Return unto the Town Clerk, as they were required by Law.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Hon. *Stephen Hopkins*, Esq; his Honor the Deputy Governor, *Daniel Jenckes*, *Thomas Cranston*, and *Peter Bours*, Esqrs. be, and they hereby are constituted a Committee, to make Enquiry what is due from the Crown unto this Colony, for Provisions delivered at *Albany*, for billeting Soldiers, &c. and make Report unto the General Assembly at the next Session.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That *Obadiah Brown* and *George Brown*, Esqrs. Mr. *Joseph Lippitt*, and *Samuel Chace*, Esq; be, and they, or the major Part of them, are hereby constituted a Committee, to audit the Accounts of *Daniel Jenckes*, Esq; as he is a Member of the Committee of War, and make a Report upon the same, unto the General Assembly at their next Session.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Committee of War provide and send Transports to *Albany*, sufficient to bring Home all the Troops of this Colony, that are to return; and that the Committee above-mentioned, give Orders for bringing Home all the Arms, Accoutrements, Stores, and every other Thing that will not be of Use, either at *Albany* or in the Camp.

Whereas *George Lawton*, Keeper of His Majesty's Gaol in the County of *Newport*, exhibited unto this Assembly, an Account by him charged against the Colony, for dieting a Number of the Subjects of the *French King*, who were taken and brought into this Colony as Prisoners of War: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved,* That the said Account be, and the same is hereby allowed, and that Four Hundred and Fifty-nine Pounds Fifteen Shillings, the Amount thereof, be paid the said *George Lawton* out of the General Treasury.

Whereas

Whereas Mr. *William Coddington*, Vendue-Master of the Town of *Newport*, preferred a Petition, and represented unto this Assembly, That all Vendue-Masters within the Colony, have, by the Laws thereof, always had, since the Appointment of such Officers, the sole Right of selling Goods, Wares, and Merchandizes, at Public Auction, except of such Things as the Sheriffs have seized by Execution, until an Act was made and passed by the General Assembly, at the Session begun and holden at *South-Kingstown*, within and for the Colony aforesaid, on the last Monday of *February*, One Thousand Seven Hundred and Fifty-six, when and where an Act was made and passed, " That the Marshal of the " Court of Vice-Admiralty, within this Colony, shall have the same " Power and Authority to sell Goods and Merchandizes at Public " Vendue, in Consequence of Orders and Decrees of the said Court, " as Sheriffs have upon Executions : " That under the Pretext of the said Law, the Deputy Marshal of the said Court of Vice-Admiralty, hath sold and disposed of sundry Goods, Wares, Merchandizes and Effects, in the Town of *Newport* ; which the said *William Coddington* apprehends to be an Imposition, not only upon him, but all the other Vendue-Masters in the Colony, and the more especially, as the present Marshal of the said Court of Vice-Admiralty, is an Inhabitant of *Boston*, in the Province of the *Massachusetts-Bay* ; so that the Act aforesaid, deprives the Officers of this Colony of their just Rights, and enricheth, at least, one Inhabitant of another Government : Wherefore the said *William Coddington* prayed, that the Act aforesaid may be repealed.

On Consideration whereof,

BE it Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That the Act aforesaid, and every Clause and Article thereof, be, and hereby are repealed, and made null and void, to all Intents and Purposes whatsoever.

Whereas *Peleg Rogers*, *Richard Wilson*, and *Greene Rogers*, exhibited unto this Assembly, an Account by them charged against the Government, for taking Care of the Colony-House in *Newport*, sweeping and keeping the same clean the last Year ; for Brooms, Wood, and other Necessaries, by them furnished for the Use of the Members of the General Assembly : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the said Account be, and the same is hereby allowed, and that Thirty-eight Pounds Four Shillings, the Amount thereof, be paid the said *Peleg Rogers*, *Richard Wilson*, and *Greene Rogers*, out of the General Treasury.

Whereas the Hon. *Jonathan Nichols*, Esq; late Deputy Governor of this Colony, *Daniel Jenckes*, Esq; and the Secretary, at the Session of the General Assembly begun and holden at *Newport*, within and for the Colony aforesaid, on the second Monday of
Q June,

Yane, One Thousand Seven Hundred and Fifty-five, were "constituted a Committee, to represent this Colony, and directed and fully empowered to demand, sue for, and take into Possession, the Colony's Part of the *French Schooner* and her Cargo, then lately forfeited, and by the Court of Vice-Admiralty in this Colony, condemned; and also the Colony's Part of all and every other Vessel or Vessels, Cargo or Cargoes, that might thereafter be forfeited;" since which, the said *Jonathan Nichols* hath died: *This Assembly therefore do Vote and Resolve, and it is Voted and Resolved*, That *Simon Pease*, Esq; be, and he is hereby appointed a Committee-man for the Purposes aforesaid, in the Room and Stead of the said *Jonathan Nichols*, Esq; and they, the said *Simon Pease*, *Daniel Jenckes*, and the Secretary, or the major Part of them, are hereby authorized and fully empowered to act in the Premises.

Whereas *Andrew Burnett*, exhibited unto this Assembly, an Account by him charged against the Colony, for dieting a Number of the Subjects of the *French King*, who were taken and brought into this Colony as Prisoners of War: Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the said Account be, and the same is hereby allowed, and that Ninety Pounds, the Amount thereof, be paid the said *Andrew Burnett* out of the General Treasury.

An ACT in Addition to an Act made and passed by the General Assembly, at the Session begun and holden in *Providence*, within and for the Colony aforesaid, on the twenty-seventh Day of *January*, One Thousand Seven Hundred and Forty-six, entituled, "An Act directing the Method of receiving Petitions into, and acting thereon, by the General Assembly."

WHEREAS it hath often happened, that Persons pretending to be aggrieved and injured in the Tryals of their Causes at the Courts of Law in this Colony, have petitioned the General Assembly, and obtained new Tryals, often Times by Reason that some of the Adverse Party's Relations were upon the Jury, at other Times, that they have discovered fresh Evidence, and so forth. And whereas, the Granting of such Petitions, as the Law now stands, subjects the Party petitioned against, to pay Costs, even altho' upon such a new Tryal having been had, the former Judgments have been affirmed; which is a manifest Injury, and unjust Grievance.

For Remedy whereof in Time to come,

BE it Enacted by this General Assembly, and by the Authority of the same, It is Enacted. That from and after the Publication of this Act, so often as any new Tryal shall be by the General Assembly awarded to any Person or Persons, the Party obtaining such new Tryal, shall be obliged to pay all lawful Costs and Damages,

mages, that he, she, or they have put his, her, or their Antagonists unto, in defending against such a Petition, unless he, she, or they shall, by a new Tryal, obtain some Alteration of the former Judgment, either in the Whole, or in Part ; and in such Case, the said Costs and Damages shall be made Part of the Bill of Costs that shall be recovered by the Party or Parties obtaining a Confirmation of the former Judgment.

This Assembly do Votē and Resolve, and it is Voted and Resolved, That the Committee appointed to build a private Vessel of War for protecting the Trade of the Colony, do, as soon as the same shall be launched, cause her to be paid over with Turpentine, and hauled in to some proper Wharff or Dock ; and that the Rigging, Sails, and other Stores provided for her, be properly taken Care of, till farther Orders from the General Assembly.

Whereas *James Franklin* exhibited unto this Assembly, an Account by him charged against the Colony, for printing the Acts and Orders made and passed by the General Assembly, at their Session begun and holden at *Providence* on Monday the fourteenth of *March* last, and furnishing Paper for the said Service : Which being duly examined, *This Assembly do Votē and Resolve, and it is Voted and Resolved,* That the said Account be, and the same is hereby allowed, and that Eighty Pounds, the Amount thereof, be paid the said *James Franklin* out of the General Treasury.

And whereas, the said *James Franklin* exhibited unto this Assembly, a second Account by him charged against the Colony, for printing the Acts and Orders made and passed by the General Assembly, at their Sessions begun and holden at *Newport* in *May* and *June* last ; for printing an Act for proportioning a Rate of One Hundred Thousand Pounds Old-Tenor, and an Act for raising the Sixth Part of the Militia in this Colony, and furnishing Paper for those Services : Which being duly examined, *This Assembly do Votē and Resolve, and it is Voted and Resolved,* That the said Account be, and the same is hereby allowed, and that One Hundred and Forty-nine Pounds Twelve Shillings, the Amount thereof, be paid the said *James Franklin* out of the General Treasury.

Whereas *John Clarke, jun.* exhibited unto this Assembly, an Account by him charged against the Colony, for his Time, Horse-hire, and Expences, in two Journies by him made to *Providence* in the Service of the Public : Which being duly examined, *This Assembly do Votē and Resolve, and it is Voted and Resolved,* That the said Account be, and the same is hereby allowed, and that Forty-three Pounds, the Amount thereof, be paid him the said *John Clarke, jun.* out of the General Treasury.

Whereas an Account charged by his Honor the Deputy Governor, against the Gentlemen appointed to repair Fort *George* upon

upon *Goat-Island*, within the Township of *Newport*, was exhibited unto this Assembly : Which being duly examined, *This Assembly do Vote and Resolve, and it is Voted and Resolved*, That the said Account be, and is hereby allowed, and that the Ballance thereof, being Four Hundred and Eighty-eight Pounds Twelve Shillings and Six Pence, be paid his Honor out of the General Treasury.

An ACT for supplying the General Treasury with the Sum of One Hundred and Fifty Thousand Pounds Old-Tenor, by a Rate or Tax to be assessed and levied upon the Inhabitants of this Colony, and paid in before or on the last Day of *January* next.

BE it Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That a Rate or Tax of One Hundred and Fifty Thousand Pounds Old-Tenor, be assessed upon the Inhabitants of this Colony, and levied, collected, and brought into the General Treasury, before or upon the last Day of *January* next.

AND be it farther Enacted by the Authority aforesaid, That the said Rate or Tax be, and the same is hereby proportioned upon the several Towns within this Colony, in the following Manner, that is to say :

JOSIAS LYNDON, Esq; Clerk of the Lower House.

BE it Enabled by this General Assembly, and by the Authority of the same, It is Enacted, That the Officers and Soldiers raised for the last Expedition, who went no farther than *Connecticut*, be, and they hereby are allowed, and shall be paid out of the General Treasury, the following Wages for ten Days, that is to say ; the Colonel Ten Pounds *per* Day, the Lieutenant-Colonels Nine Pounds *per* Day, the Major Eight Pounds *per* Day, the Captains Seven Pounds *per* Day, the Lieutenants Six Pounds *per* Day, the Cornets and Ensigns Five Pounds *per* Day, and the common Soldiers Three Pounds *per* Day

AND

AND be it further Enacted by the Authority aforesaid, That the Persons employed to take Care of the Horses, be allowed and paid as aforesaid, Three Pounds per Day, for so long a Time as they were in the Service ; the Owners of the Horses, Thirty Shillings per Day for ten Days; first deducting what is charged to the Colony for shoeing each respective Horse that was shod.

AND be it farther Enacted, That the Deputies of the several Towns, who assisted in getting away the Troops, shall be allowed Three Pounds each per Day for three Days, to be paid by the respective Towns.

WE the Subscribers, beg Leave to protest against the within Act, for that it is unequal to pay the Deputies all alike for their Services ; for that the Deputies of some Towns did more than six Times the Service than they did in other Towns. And that it is a great Discouragement to a Town, when they have been industrious to raise Men, and the Expence all to be paid by their own Town ; and it would be more equal to pay it by the Government.

“ Thomas Arnold,

“ Jeremiahs Whipple.”

BE it Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That Thirty Men be added to the Seventy Rangers ordered by the last Assembly to be drawn out of the Troops now in Camp, and continued there : And that the said Thirty Men be drawn out in the same Manner, and continue the same Time, upon the same Footing, with the aforesaid Seventy. And that the Committee of War send Cloathing and Blankets for the said Thirty Men, as they have already done for the Seventy.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That the Hon. Stephen Hopkins, Esq; the Speaker of the Lower House, Thomas Cranston, John Tillinghast, and James Sheffield, Esqrs. be, and they, or the major Part of them, are hereby appointed a Committee to audit the Accounts of the Grand Committee and General Treasurer, and burn the Bills in the Grand Committee's Office, that have been paid in for Tenths, and make Report unto this Assembly at their next Session.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That Jabez Bowen, Esq; Messrs. Elisha Brown, Nickolas Brown, and Nicholas Tillinghast, be, and they, or any Two of them, are hereby appointed a Committee, to audit the Accounts of the Committee that was appointed to build a Vessel for the Colony's Service, and make Report unto this Assembly at their next Session.

BE it Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That Four Thousand Pounds of the Bills of Public Credit, called Lawful Money, which were emitted by the

the General Assembly, at a Session begun and holden at *South-Kingsdown*, within and for the Colony aforesaid, on the last Monday of *February*, One Thousand Seven Hundred and Fifty-six, which said Sum is yet outstanding, be called in and sunk by a Rate or Tax, to be assessed upon the Inhabitants of this Colony, and levied, collected, and brought into the General Treasury, before or upon the last Day of *February* next; and that a Committee be appointed to draw up an Act accordingly.

An A C T for augmenting the Salary of the General Treasurer in Time to come.

WHEREAS Thomas Richardson, Esq; the present General Treasurer, preferred a Petition, and represented unto this Assembly, That he has found by Experience, the Allowance made him of Two Hundred Pounds per Annum, is far short of an adequate Reward for his Services, and the many Risques that necessarily attend the said Office: That the annual Salary of the General Treasurer was stated at Two Hundred Pounds, in the Year One Thousand Seven Hundred and Thirty-one, when Money was at more than four Times of its present Value, and consequently would purchase most of the Necessaries of Life, at that Proportion: That the Colony hath been since greatly enlarged, by the Addition of several Towns, that then were under the Jurisdiction of the Province of the Massachusetts-Bay; by Means whereof, the Labor and Trouble of the said Office have been proportionably encreased, and so forth.

On Consideration whereof,

BE it Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That the Salary of the General Treasurer of this Colony, for the Time being, be, and the same is hereby augmented to the Sum of Six Hundred Pounds per Annum.

Whereas Messrs. John Barton, John Clarke, and Nathaniel Williams, all of Cranston, in the County of Providence, preferred a Petition, and represented unto this Assembly. That they being, by an Act made and passed at a Session of the General Assembly, begun and holden at Providence, within and for the Colony aforesaid, on Tuesday the first of *February* last, appointed to take a true Account of the Value of all Rateable Estates, and the Number of all Rateable Polls in the Town of Cranston aforesaid, pursued that Service according to their Understanding of the Act aforesaid: But that at the Adjournment of the said General Assembly, on the fourteenth Day of *March* following, the said Act was explained, and another Method pointed out for doing the aforesaid Business: Whereupon they, the Petitioners, waited for a Copy of the said explanatory Act, but could not obtain one until the twenty-eighth Day of *May*, by Reason the same had not been lodged in the Town Clerk's Office; which rendered their Time so short, that they could

could not fully compleat the said Business according to the Act aforesaid, by Reason the Return was ordered to be made at the Session holden at *Newport* in *June* following ; nevertheless, they got the Valuation of said Town of *Cranston* as near as they could, considering the difficult Circumstances that attended the Affair, but not soon enough to make out a Copy of their Proceedings, and lodge the same in the Town Clerk's Office : That after the Rising of the General Assembly, unto which some Returns were made, the Petitioners being credibly informed that the said Assembly made no Use of the said Returns, in proportioning the Rate unto the several Towns in the Colony, proceeded no farther in the Business assigned them, until of late, when they compleated the same, and lodged their Proceedings with the Town Clerk : And now understanding the General Assembly had ordered the Treasurer of the Colony to prosecute the Petitioners, in order to recover the Forfeiture they had subjected themselves to, by not exactly conforming to the Act aforesaid, which they humbly prayed might not be done, *as they had no Design of wilful Disobedience*, and have actually deposited with the Town Clerk, a Copy of all their Proceedings, in " taking a true Account of the Value " of all Rateable Estates, and the Number of all Rateable Polls," in the said Town of *Cranston*. And this Assembly having enquired into the Premises, *Do Vote and Resolve, and it is Voted and Resolved*, That the Prayer of the said *John Burton, John Clarke,* and *Nathaniel Williams*, in their aforesaid Petition made, be, and the same is hereby granted.

Whereas *Caleb Greene, Stephen Potter,* and *John Bucklin*, all of *Coventry*, in the County of *Kent*, preferred a Petition, and represented unto this Assembly, That by an Act made and passed at a Session of the General Assembly, begun and holden at *Providence*, within and for the Colony aforesaid, on Tuesday the first of *February* last, they were appointed " to take a true Account of the " Value of all Rateable Estates, and the Number of all Rateable " Polls, within" the Town of *Coventry* aforesaid, and present the same, as the said Act of Assembly required : That immediately upon receiving the said Act, they proceeded to the Business in the most direct Manner they were capable of ; but such were the Circumstances of their Town, that great Part of the unimproved Lands was owned by Persons living elsewhere, very few of whom rendered any Account ; by Means whereof, they were unable to put an Estimate upon the unimproved Lands, and make Return as the Act aforesaid directed : That the Task being so great, and the Session of the General Assembly, by Adjournment, nigh, they were not prepared to make their Return unto the General Assembly holden by Adjournment at *Newport*, on the thirteenth Day of *June* following : That afterwards, being informed by several Members of the General Assembly, that a farther Time was granted for Returns to be made, to wit, at *August* Session, they,

the Petitioners, fully intended to have completed the Business committed to them, but the General Assembly being called before the said Time, and when met, referred the Business of *August* to *September*, so that the Petitioners could not then be ready to make their Return, but at the Session last mentioned, they actually made it, which they were inform'd was receiv'd, and also that they were subjected to a severe Penalty; but nevertheless, as the Government have suffered nothing by the Return being made so late, and the Delays aforesaid were occasioned by unavoidable Necessities, they humbly prayed to have their Fines remitted, and so forth. And this Assembly having duly enquired into the Premises, *Do Vote and Resolve, and it is Voted and Resolved*, That the Prayer of the said *Caleb Greene, Stephen Potter, and John Bucklin*, in their aforesaid Petition made, be, and the same is hereby granted.

This Assembly do Vote and Resolve, and it is Voted and Resolved, That Capt. *Daniel Syrauld*, jun. and Lieut. Col. *Joseph Wanton*, jun. be, and they hereby are appointed a Committee, to audit Capt. *William Mumford's* Account of Charges of repairing the Colony-House in *Newport*, and make Report as soon as conveniently may be. And the said Capt. *Mumford* is directed to sell so much of the Lead that was taken off from the Top of the said House, as will be sufficient to pay him his Account, when auditted.

Whereas *George Brown*, Esq; Messrs. *John Cole*, and *Nicholas Brown*, were by the General Assembly, at the Session begun and holden at *Providence*, within and for the Colony aforesaid, on Tuesday the first of *February* last, appointed a Committee, to audit the Accounts of Capt. *Joseph Olney*, and all other Accounts of Charges relating to the Soldiers of *Shirley's* and *Pepperill's* Regiments, who had some Time before passed thro' the Town of *Providence*: And the Gentlemen having assumed the Province to assign them, presented this Assembly with what follows.

And

And this Assembly having taken the said Report into Consideration, *Do Vote and Resolve, and it is Voted and Resolved, That* the same be, and hereby is accepted.

An ACT for the more easy and speedy Payment of the Charges of the late Expedition.

WHEREAS there is an Act of this Government, for raising One Hundred and Fifty Thousand Pounds Old-Tenor, by a Rate or Tax, to be assessed and levied upon the Inhabitants. And whereas, sundry Persons have Money due to them from the Colony, on Account of their Services, Provisions, and other Necessaries, done and provided for the Militia lately raised, who by having Orders for their Money on the General Treasurer, may more easily pay their Parts of the above-mentioned Rate or Tax.

*BE it therefore Enacted by this General Assembly, and by the Authority of the same, It is Enacted, That the Gentlemen who were Deputies when the Sixth Part of the Militia was lately raised, do collect all Accounts of Charges brought against the Colony, for the Soldiers raised in their several Towns, and marching through them, or any other Towns in this Colony, and carefully examine the same, and give each and every Person an Order on the General Treasurer, for the Sum or Sums which shall appear to be due to him, her, or them. And the several Collectors of the abovesaid Rate or Tax, are hereby directed and required to receive such Orders, so drawn and signed by the first Deputy of each Town, or if he be dead or absent, by the next Deputy, as Part of said Rate or Tax; and the General Treasurer is also directed to receive the same of the Collectors accordingly. *Provided always,* that each and every Person, who went either as an Officer or Soldier, or to bring Home the Horses, shall have an Order for no more than the Sum allowed by the Act of this Assembly. And if any Officer or Soldier hath taken up any Cloathing on the Colony's Account, the same shall be deducted out of his Wages before the Order is drawn. And if any Officer or Soldier has neglected, or shall neglect to return the Blankets, or any other Stores or Accoutrements belonging to the Colony, the same shall be deducted out of his Wages, and he shall have an Order on the Treasurer for the Remainder, and no more. And the Expence of shoeing the Horses, shall be deducted out of the Horsehire; and the Person or Persons who furnished the Horse or Horses, shall have an Order for the Remainder, and no more.*

AND be it further Enacted by the Authority aforesaid, That all those Persons who furnished the Provisions, shall be allowed in the following Manner, to wit; Six Shillings and Six Pence for every Pound of Pork, Six Shillings for every Pound of Cheese,
Six

Six Shillings for every Pound of dry'd Beef, and Eight Shillings for every Pound of Gammon. And as the Deputies of the several Towns are paid for fitting said Men away, no other Person shall be allowed any Thing for pressing Horses, Guns, Blankets, or any other Necessaries.

AND it is farther Enacted by the same Authority, That if any Officer or Soldier has taken up more upon the Colony's Account, than his Wages amount to, that he shall pay the same to the Person who was first Deputy of the Town at the Time of raising the Men; and if he be dead or absent, to the next Deputy: And if any Person shall neglect or refuse to pay the same, said Deputy is hereby authorized and fully impowered to sue for and recover the same.

WHEREAS a Number of the Merchants, and Others, of the Town of *Providence*, exhibited unto this Assembly, a Memorial, and remonstrated, That the Merchants of this Colony have become large Adventurers in private Ships of War, fitted out at a great Expence, for annoying the common Enemy: That whatsoever is taken and brought in by such private Ships of War, cannot lawfully come into the Hands of the Owners and Companies of them, until it be first adjudged and condemned by a proper Court of Vice-Admiralty: That there is no Judge of that Court within the Colony, *but only a Deputy*, and he so much limited and controuled by his Superior, who lives out of the Government, that very great Damages, Delays, and Inconveniences, as well as extravagant Expences, have accrued to such as have been concerned in Privateering: Wherefore the Memorialists humbly prayed this Assembly, to direct that proper Application be made to the Colony's Agent in *Great-Britain*, to procure some suitable Person to be appointed Judge of the Court of Vice-Admiralty within and for this Colony. And this Assembly having duly considered the subject Matter of the Memorial aforesaid, *Do Vote and Resolve, and it is Voted and Resolved*, That the Prayer therein contained, be, and the same is hereby granted.

AND be it further Enacted by the Authority aforesaid, That the Assessors or Ratemakers shall assess or apportion the aforesaid Rate or Tax, and return a true Bill or List of the same, unto the Clerk of the Town to which they respectively belong, within Forty Days after the Rising of this Assembly : And the said Town Clerk is directed, and hereby required to send a Copy thereof, in four Days after his Receipt of the same, unto the General Treasurer, who is directed, and hereby required to issue his Warrants within four Days from the Time of his receiving the said Copy, directed to the several Collectors of Rates or Taxes of the respective Towns, requiring them, in the King's Name, to collect, levy, and pay unto the General Treasurer, for the Time being, the several Sums unto them respectively committed to collect.

Whereas *Silas Gardner* of *Warwick*, in the County of *Kent*, Merchant, preferred a *Petition*, and represented unto this Assembly, That the Committee of War brought and prosecuted an Action against him at the last Inferior Court of Common Pleas that was holden at *Newport*, in the County of *Newport*, and then and there obtained Judgment against him for about Fifteen Hundred Pounds and Costs: That he appealed from the said Judgment unto the Superior Court of Judicature, that sat at said *Newport* in *September*; at which Court he the said *Silas* depended on attending in Person, but was, by Sickness, prevented; so that he had it not in his Power to give the necessary Instructions unto
